8	**Proposal for consideration for cancellation of DHP at Chimbel, Goa for use as Old Age Home on Design & Build basis using Emerging technology including onsite Infrastructure Work under TSM of PMAY-U Mission (Agenda 8)**

A. **Basic Information:**

Ministry of Housing and Urban Affairs (MoHUA) under the Technology Sub-Mission (TSM) of Pradhan Mantri Awas Yojana- Urban (PMAY-U) Mission has taken an initiative to construct Demonstration Housing Projects (DHPs) through Building Materials and Technology Promotion Council (BMTPC) in different parts of the country as per the Revised Operational Guidelines issued in April 2018. A DHP including onsite infrastructure facilities at Chimbel, Goa under PMAY-U Mission was approved by CSMC in its 50th meeting held on 27th December 2019 at a project cost of ₹ 698.32 lakh. The approved project was to be used as Old Age Home as proposed by the

Goa State Urban Development Agency (GSUDA), Government of Goa. Since the sanctioned DHP was proposed to be used on a rental basis, the entire expenditure for the construction of DHP was to be borne by MoHUA. Accordingly, a sum of ₹349.16 lakh was released to BMTPC as 1st instalment of Central Assistance. BMTPC requested GSUDA for handing over the encumbrance free land for execution of work. GSUDA informed that the Institute of Public Assistance (Provedoria) has agreed to hand over the land admeasuring 2000 Sq.mts. with a condition to relocate the site at back end of the same property. BMTPC informed that the relocation of the site is not feasible after the award of the work as it will increase the cost of project and work has been awarded. In response to this, GSUDA handed over the land at the earlier approved location. Based on this, the contracting agency applied for the statuary approvals of architectural drawings to local authority and initiated the preparatory activities such as cleaning of site, layout plan etc. for construction at the site. Subsequently, the local villagers started agitation quoting that a heritage structure is existing at the site and will not allow to dismantle the same. On the advice of GSUDA, the work was stopped by the contracting agency.

In view of the above, GSUDA informed that Institute of Public Assistance (Provedoria) has identified new site for the construction of DHP adjacent to earlier approved site and submitted the layout of new site within the same premises having numbers of big/small trees. GSUDA handed over this site for the proposed DHP to BMTPC. Since the location of proposed DHP was shifted, the revised drawings were prepared and submitted for approval to the Town Planning Department, Govt. of Goa by the contracting agency. The technical clearance of architectural drawings was received on 29th July 2021 from Town & Planning Department, Govt. of Goa. Since the site lies amid heavy tree plantation area, the clearance from the Forest Department was mandatory for cutting trees. The approval for cutting of the trees was granted on 3rd September 2021 by the Forest Department.

Based on the above, BMTPC requested GSUDA to handover the site immediately mentioning that despite constant follow up through letters and telephonic talk with the officials of GSUDA, the contracting agency is not able to start the construction of DHP at site. It was also communicated to GSUDA that the project is considerably delayed and may lead to withdrawal of DHP by the Ministry. The local villagers again started agitation at the site saying that they will not allow to cut the trees as they are very old trees and stopped the construction work. It is clear that GSUDA is not able to allot encumbrance free site for construction of DHP despite constant follow-up by the Ministry and BMTPC. In view of the above, MoHUA requested the

Secretary (Housing) & Member Secretary, GSUDA to hand over the encumbrance free site by 31st December 2021 otherwise the project will be cancelled by the Ministry in the next CSMC meeting. GSUDA informed that the alternate land adjacent to the proposed site where the old dilapidated building is existing may be used for construction of DHP. It was also requested that demolition cost may also be borne by BMTPC.BMTPC informed GSUDA that there is no provision for demolition of any existing structure and cutting of tree etc. in the Detailed Project Report (DPR) approved by CSMC in its 50th meeting held on 27th December 2019 and also not in our tender. Therefore, it is not possible for BMTPC to incur any additional expenditure on demolition of existing old structure to obtain clear site. Further, BMTPC has received an E-mail from Gram Shabha of Village Panchayat Chimbel, Goa informing that office of the Village Panchayat has made a resolution to oppose DHP in Chimbel, Goa

B. CSMC Observations:

The CSMC felt that GSUDA is not able to allot encumbrance free land for construction of DHP since more than two years and it seems State Government is unwilling to have DHP project in Goa.

C. CSMC Decision:

After detailed deliberations, the CSMC considered and **approved** the following:

(i) **Cancellation of the DHP at Chimbel, Goa** and foreclose the contract with the contracting agency.

(ii) BMTPC may refund ₹349.16 lakh released to BMTPC as 1st instalment of Central Assistance (50%) along with interest accrued thereon, if any, except valid expenditure incurred by BMTPC, if any as the work was awarded to the agency.

The Mission Directorate will also provide access of Dashboard to all **Members of Parliament** by providing login and password so that they can also see and overview status of execution of projects in districts, cities falling in their respective constituencies. The Dashboard will help Mission Directorate, MoHUA to conduct State level review on regular basis for speedy implementation of the PMAY-U.

Way forward: Therefore, Mission Directorate is looking forward to develop and enable many features on the demand of stakeholders once Dashboard is put today-to-day use such as SMS alert, map view, graphical views(geospatial applications) and use of Artificial Intelligence.

B. CSMC Decision:

The CSMC appreciated the efforts made in conceptualising, designing of the Dashboard by DRMC under HFA Directorate and observed that this will help in ease of monitoring and execution of PMAY-U all over the country. All stake holders, State/UT Governments, officials in the Ministry, Niti Ayog etc. may use the same and also suggest any modifications/additions required if any.

11	**GENERAL OBSERVATIONS**

i. PMAY-U has completed its intended tenure on 31.3.2022. Further extension upto 31.3.2024 is under active consideration of the Government for completion of already approved projects. Now onwards, no additional houses will be sanctioned and focus will remain on completion of houses.

ii. Under Credit Linked Subsidy Scheme (CLSS), the subsidy will be released for all the applications approved till 31.3.2022 by the respective Central Nodal Agencies (CNAs).

iii. The focus of the Mission is now on completion of all sanctioned projects with its deliverables, States/UTs need to draw an action plan for grounding and completion of all the sanctioned houses/project within stipulated timeframe and further advised to launch a special drive/campaign for this purpose.

iv. States/UTs should resolve all pending MIS issues on priority basis and submit necessary compliance for claiming 1st installment of Central Assistance by 15.08.2022.

v. States/UTs also need to expedite submission of compliances such as UCs against earlier releases, ATR on TPQMA reports duly approved by SLSMC, status of social audit, updation of data in MIS etc. for release of **2nd and 3rd installments** of Central Assistance.

vi. Regular review of progress of geo-tagging for various stages of house construction needs to be done by the States/UTs and ensure that only good quality images are uploaded which are in public domain.

vii. States/UTs should ensure that the **PMAY-U logo** is displayed in front of all housing units constructed under the Scheme. However, States/UTs should not display any such information which are in violation of Model Code of Conduct (MCC) as per instruction issued by the Election Commission of India/State Election Commissions from time to time.

viii. The Central Assistance in general and EBR funds in particular, released under PMAY-U Mission should be utilized within the time frame stipulated in the respective sanction orders and registration of all ULBs on PFMS may be ensured by all State/UT Governments. This is a very important matter hence appropriate arrangements and safeguards must be built in. The EBR fund is an interest-bearing fund, and it is important that the funds so released to the States/UTs do not remain parked with SLNA/State/UT Governments but is utilized on fast pace for the purpose it has been released. Any interest earned on the parked fund will be refunded to CFI.

ix. States/UTs are advised to set a judicious limit in the PFMS in a manner that ULBs with faster progress are able to utilize funds commensurate with their performance, to enable faster completion of houses and ensure that their progress is not hampered due to lack of funds.

x. With regard to the vacant houses, if any, under JnNURM/RAY, the State Governments/UTs should look for realistic and pragmatic options for converting them into ARHCs.

xi. A robust MIS System being critical for PMAY-U Mission, States/UTs need to constantly monitor the linking of beneficiaries to sanctioned projects in PMAY-U-MIS. All States/UTs should ensure that the Aadhaar details of beneficiaries with regards to their number and name is accurate while updating in MIS.

xii. Under PFMS/DBT process, the funds would have to be transferred at every stage only through electronic mode for Beneficiary Led individual house Construction (BLC) under PMAY-U. The bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly. There should also be 100% Aadhaar linkages of beneficiaries in all AHP, BLC, ISSR and CLSS cases.

xiii. It has come to notice that data on progress of construction of houses reported in PMAY-U-MIS and those discussed in the CSMC meetings varies many a time. States/UTs must upload **online Monthly Progress Reports (MPRs)** of all sanctioned projects in PMAY-U-MIS latest by 10th of every month so that the data are reconciled before every CSMC meeting.

xiv. States/UTs should use innovative, cost effective and high-quality construction technologies for constructing the housing units under PMAY-U and document the same. The tender documents should preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.

xv. State/UT Governments are advised to ensure that:

a. Adequate infrastructure is provided including individual water, sanitation and electricity connections.

b. There should be no duplication/change in the identified beneficiaries.

c. Demarcation of land and mutation is carried out before implementation of the projects.

d. The design and construction of houses are disaster resilient, and the specifications conform to IS/ NBC norms.

xvi. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY-U fraudulently. The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/ registration fee for applying for houses in PMAY-U. Thus, individual/agency /organization cannot collect any money/application fee from the beneficiary for enrolment under PMAY-U. All State/UT

Governments may also issue disclaimer to this effect in their relevant websites/advertisements etc. to stop this kind of fraudulent activity.

xvii. State/UT Governments may prepare **short films, printed literature/documents** on projects undertaken under PMAY-U to showcase how lives of beneficiaries have transformed. It should be widely circulated both in print and electronic media and in various social media platforms for generating awareness. The State/UT Governments should also share with the Ministry high resolution photographs and video testimonials of beneficiaries whose houses have been completed.

xviii. A PMAY-U Mobile App has already been provided by the Ministry to enable beneficiaries to upload their photos with their house and a video clip where beneficiaries share experience of owning a house under PMAY-U as testimonials. The App can be downloaded from Google Play Store. The State/UTs may inform their beneficiaries to upload the same using this Mobile App.

The meeting ended with a vote of thanks to the Chair.
