

*Jabalpur Mart*

Jabalpur Mart is one stop solution for the citizen of Jabalpur in this difficult time to order all essential items and services (in the local language, "**Hindi**") which they need during this lockdown. This app is developed by Cinfy Systems, in association with Jabalpur Incubation Center, backed by Incubation Masters and promoted by Jabalpur Smart City Limited.

The App covers the door to door supply of essential items including vegetables, fruits and can also request for home appliance repair services including electrician, plumber, RO repair, mobile repair, laptop repair, AC repair and other important services.

Jabalpur *Mart*

Here's the first day statistics of the App, on it's launch day –
