Subject: Mapping of details of beneficiaries under Beneficiary-led component of PMAY(U) Mission with Socio Economic Caste Census (SECC) data- reg.

Sir / Madam,

I am directed to say that Pradhan Mantri Awas Yojana (PMAY) – Housing for All (Urban) Mission launched by the Government on 25th June, 2015 comprises four verticals. Under the “**Beneficiary-led Individual House Construction or Enhancement**” component of the Mission, the extant Guidelines (Para 7.2) prescribe that the Urban Local Bodies shall validate the information given by the beneficiaries and that the condition of the house of the prospective beneficiaries should be checked with the SECC data so as to ensure beneficiary’s consequent eligibility for construction of new housing. For complying with this provision, the States/UTs/ULBs may, therefore, undertake mapping of the required details of such intended beneficiaries under the “**Beneficiary-led Individual House Construction or Enhancement**” component of the Mission with that of the Abridged Houselist – Temporary Identification Number (AHL - TIN) in the SECC Data.

2. SECC Data is hosted on the central server maintained by NIC, New Delhi. Having regard to the requirement of the PMAY(U) Mission and, therefore, to assist the States/UTs/ULBs in this regard, this Ministry has decided to facilitate the SLNAs under the PMAY(U) Mission in accessing the SECC Data from the NIC Data Centre. In MoHUPA, the following officer has been designated to liaise with the NIC and he may be contacted for this purpose:

Shri M. Ramesh Kumar, Chief – MIS,
Room No. 123, G-Wing, Nirman Bhawan,

(Mobile No. 9818483646, e-mail: m.rameshkumar@nic.in)

3. Usage of the SECC Data will, however, be subject to the following conditions:
- (i) This SECC data will be kept secure with the authorised personnel and will be used **only** for mapping the requisite details of the intended beneficiaries under PMAY(U) Mission;
 - (ii) The SECC data is provisional. All analysis and results based on this data shall, therefore, be marked as 'provisional'.
 - (iii) As soon as the final SECC Data is available, the provisional data will be delinked and shall not be put to any further usage;
 - (iv) No change will be made to this SECC database;

Yours faithfully,
