In was further informed that in order to seek benefit under PMAY-U 2.0, States/UTs will have to formulate “**Affordable Housing Policy**” containing various reforms and incentives for ensuring active participation of Public/Private entities and promote Affordable Housing Ecosystem. ‘Affordable Housing Policy’ will include such reforms, which will improve the affordability of ‘Affordable Housing’.

5. In addition, a **Technology & Innovation Sub-Mission (TISM)** has been set up under PMAY-U 2.0 to guide and facilitate States/UTs and other stakeholders in adoption of modern, innovative and green technologies and building material for faster and quality construction of houses. Under TISM, States/UTs/Cities will be assisted through innovative practices and projects in challenge mode focused on disaster resistant and environment friendly technologies for climate smart buildings and resilient housing.

6. The CSMC was informed that under PMAY-U 2.0, a robust and Unified Web Portal (https://pmaymis.gov.in/PMAYMIS2_2024/PmayDefault.aspx) has been developed at Central Level to monitor and evaluate the Scheme. This web-portal is accessible to all stakeholders and have the facility for the beneficiaries to apply and track their application status on real-time basis. States/UTs, implementing agencies, beneficiaries and all concerned stakeholders have accessibility to upload all requisite information on the portal. This will enable real-time reporting and monitoring of the progress and performance of the Scheme. A mobile-friendly interface has also been developed with offline functionality and multi-lingual support with enhanced accessibility and inclusivity. The MIS of web-portal provides real-time access to key performance indicators, dashboards and analytics to enable informed decision-making by program managers and policymakers. By focusing on these key aspects of quality, the MIS system will significantly enhance the management and effectiveness of the Scheme leading to better outcomes and improved service delivery for citizens.

Under PMAY-U 2.0, all activities related to MIS is being done through the Unified Web Portal such as applications by beneficiaries, verification of beneficiaries, Geo-tagging of beneficiaries, attachment of beneficiaries, preparation of Detailed Project Reports (DPRs), generating beneficiaries list, generation of releases of various instalments of Central Assistance, its utilisation amongst others. CSMC was informed that the Unified Web Portal (UWP) is designed comprehensively for the scheme which is working smoothly. CSMC directed the States/UTs to use the UWP of PMAY-U 2.0 for all related activities of the scheme as per the prescribed guidelines issued by the Ministry, rather than creating/developing their own MIS system.

7. It was informed that under PMAY-U 2.0, MoA with 30 State/UT Governments have been signed, and matter is being followed up with the remaining States/UT Governments. States/UTs have been directed to complete the demand survey for selection of beneficiaries under PMAY-U 2.0 along with verification of the same to assess the actual demand under different verticals; conduct Information Education & Communication (IEC) activities to make people aware of the scheme.

8. It was clarified that as per PMAY-U 2.0 scheme guideline, State/UT Governments are mandated to enter, verify, geotag, attach the beneficiaries and further create projects/DPRs through the Unified Web Portal. It was further informed that State/UT Governments of Bihar, Andhra Pradesh and Puducherry has adopted the Unified Web portal for demand entry, online verification, beneficiary attachment, generation of beneficiary list and DPRs etc.

However, States/UTs like Rajasthan, Arunachal Pradesh, Haryana, Uttar Pradesh, Telangana and Odisha have either not completed/partially completed the verification/attachment process and are directed to complete the due process through UWP within 10-15 days from the approval of CSMC so that they become eligible to get the first instalment of Central Assistance. Failure to do so will result in the revocation of the approved houses/projects under PMAY-U 2.0.

9. Subsequently, Joint Secretary & Mission Director (HFA), made a detailed presentation covering present status of PMAY-U. It was informed that as on date, a total of 118.64 lakh houses have been sanctioned involving Central Assistance of about ₹2.0 lakh crore. Against the sanctioned houses, more than 112.74 lakh houses have been grounded for construction, of which about 92 lakh houses are completed/ delivered to eligible beneficiaries. Central Assistance of ₹1.68 lakh crore has been released to States/UTs/CNAs. There are proposals for curtailment/surrender of 6,55,019 houses in three verticals and balance sanctioned houses are at different stages of construction/yet to start. **There are still large number of under-constructed houses in Andhra Pradesh, Maharashtra, West Bengal and Karnataka.** It was informed that barring Andhra Pradesh, most of the funds released from Govt of India has been transferred by State/UTs to SNA account. It was reiterated that no Central Assistance will be available after extended PMAY-U Mission period (31.12.2025) and any spill over liabilities for completion of houses will have to be borne by the respective State/UT Governments.

CSMC appreciated the high completion rates in UP, MP, Tamil Nadu, Gujarat, Arunachal Pradesh, Himachal Pradesh etc. under BLC vertical. States where completion rates are above 90% were requested to push one time and complete all houses of PMAY-Urban in next 3-4 months. Special mention of appreciation was given to Director, SUDA (Uttar Pradesh) for huge progress made in last 2 years improving completion rates. Lagging states need to learn and emulate best practices adopted by UP and other advanced States in completion of sanctioned BLC houses.

The occupancy of completed AHP houses is very low particularly in the States of Andhra Pradesh, Chhattisgarh, Gujarat, Karnataka, Telangana, Tamil Nadu, Maharashtra, Uttar Pradesh and Madhya Pradesh. States/UTs need to expedite the completion of houses, infrastructure work and allotment of completed AHP houses to the beneficiaries. It was informed that the States/UTs have been advised that the projects under PMAY-U 2.0 should have basic civic infrastructure/amenities like water, sanitation, sewerage, road, electricity etc. Urban Local Bodies (ULBs) should ensure that individual houses under ISS and BLC verticals shall have the provision for these basic civic amenities. States/UTs shall endeavour to make suitable provisions for all required/necessary infrastructure and civic amenities in the Detailed Project Reports (DPRs) to make it habitable.

It was highlighted that w.e.f. 1st April 2025, all the funds under PMAY-U 2.0 will be released through Mother Sanction under SNA-SPARSH module of PFMS only and no fund will be transferred through Treasury Accounts. State Governments of Rajasthan and Assam have taken a lead in this direction and many other States/UTs Governments are already on board for funding of Central Assistance under PMAY – U Mission through SNA-SPARSH module.

The CSMC was informed that the funding for Capacity Building (CB) activities and Administrative & Other Expenses (A&OE) including SLTC/CLTC, IEC, Social Audit, TPQMA etc. up to 31.03.2025 will be under PMAY-Urban as per existing funding pattern and from FY 2025-26, funds will be released for such activities as per PMAY-U 2.0 guidelines. CSMC directed the States/UTs to send their Annual Capacity Building proposals for hiring/onboarding the Agencies/Experts under Capacity Building Activities before 31st March 2025, as per the operational guidelines of PMAY-U 2.0.

Beneficiary-Led Construction (BLC), Affordable Housing in Partnership (AHP), Affordable Rental Housing (ARH), and Interest Subsidy Scheme (ISS).
- PMAY-U 2.0 guidelines stipulate that the DRMC set up by MoHUA through BMTPC under PMAY-U shall continue to support in PMAY-U 2.0 for data analysis, daily/weekly/monthly reporting and Development/ Operation/ Maintenance of various web-based applications.
- Now, a new robust MIS through a Unified Web Portal system is required to be developed by DRMC to streamline operations, like modalities for the capturing demand survey via MIS and PMAY App, geo-tagging of houses/projects, release of Central Assistance, storing of the huge dataset at State/UT/District/City level, generation of various reports and module/procedure/sub-procedure/programs as per the requirement of the scheme. Modules like beneficiary management, project tracking, fund disbursement, or citizen involvement will be developed independently, allowing seamless integration, easier updates, and more agile responses to the requirements of the scheme as and when arise.
- DRMC to ensure that the UWP will include Beneficiary Management like entry of beneficiary demand/survey/registration, verification of the database via other sources, integration with databases like Aadhaar, and other relevant citizen databases for authentication. Under Project Management, the status of housing projects like the entry of the project in MIS, approval at various levels, attachment of beneficiaries in the projects, allocation of funds to the project, release of funds, geo-tagging of the project at various levels, etc. to be established. Also, reports like real-time reporting on the number of houses constructed, geo-tagging stages of each house and funds utilized at the State/UT/City level will be crucial for decision making purposes at different levels of the Government among stakeholders including but not limited to NITI Aayog, CABINET Secretariat, DBT Mission, Lok Sabha/Rajya Sabha, PMO etc.
- DRMC to make provision for window on web portal and on Mobile App for Citizen to register/apply for housing, to track the status of application/registration and to lodge grievances along with time-to-time communication via SMS and E-mail notifications. A Public Grievance Cell consisting of Telephone Operators cum Data Entry Operators with existing setup in place will attend calls from prospective beneficiaries, E-mail communication, CPGRAM, PMO and physical receipts and to address them appropriately to alleviate grievances pertaining to Credit Linked Subsidy Scheme (CLSS) and other verticals of PMAY-U 2.0.
- DRMC will undertake Information, Education and Communication (IEC) activities for information dissemination among stakeholders and public

domain through Print and Media so that scheme benefits reach to eligible beneficiaries at grass root level to achieve the objective of PMAY-U 2.0.

- DRMC will undertake fresh development for Unified Web Portal for PMAY-U 2.0 and portal for ISS in consideration to the provisions under new guidelines such a carpet area not less than 30 Sqm. and up to 45 Sqm. for EWS beneficiaries, merger of In-situ Slum Rehabilitation (ISSR) in AHP and BLC verticals, revamped Interest Subsidy Scheme, New vertical as Affordable Rental Housing, applicability of Technical Innovation Grant (TIG) in ARH as well as in AHP verticals, mandatory State Share, introduction of Vouchers for beneficiaries for availing housing under AHP being constructed by private entities etc.
 - The developed Unified Web Portal to be used for monitoring purposes like monitoring fund disbursement and utilization across different stages of Physical Progress by stakeholders. Various automated processes like forwarding applications to the concerned, custom dashboards for different levels of the Government (Central, State and Local), integration of Geographical Information Systems (GIS) with MIS to map houses being constructed in urban areas, track housing projects are to be integral components of UWP.
 - DRMC to ensure that technical architecture such as Front-End interface, Back-End, Data Security, Planning & Design, Testing, and Deployment/Hosting of the software/application on the cloud will provide required robustness, scalability, and security of the Unified Web Portal. Required manpower in form of developers/programmers with expertise in Full Stack Development (.NET), Database Management (MySQL, PostgreSQL, or similar), Experience in Government MIS Systems or large-scale project management systems will be placed offsite/onsite mode. The present requirement for the rapid development of Unified Web Portal is as under:
 - Construction activities and monitoring under PMAY-U are expected to extend into FY 2025-26, with legacy data anticipated to be in demand by stakeholders, particularly Hon'ble Members of Parliament, over the next 3 to 4 years. Accordingly, DRMC will continue to maintain all MIS systems, web portals, and mobile apps developed under PMAY-U to support ongoing monitoring efforts. The focus will also remain on the development and maintenance of the Unified Web Portal and associated infrastructure essential for the successful implementation and management of PMAY-U 2.0
 - The existing setup of DRMC will be continued to cover the entire mission period of PMAY-U 2.0 (including any extensions, if applicable). Funding will be disbursed to BMTPC to support DRMC activities, drawn from the relevant budget head within the Capacity Building and Administrative & Other Expenses category of the scheme.
5. The current annual expenditure under DRMC totals ₹328.53 lakh, comprising ₹189.88 lakh for monitoring PMAY-U, ₹102.55 lakh for

implementation support for HFA & NIC, and ₹36.11 lakh for the Public Grievance Cell. To cover this expenditure, a charge of ₹6,000 per city/area under the jurisdiction of Planning Development Authorities is proposed, applying to approximately 5,500 cities and areas. Cities and areas under these authorities may expand over time through Gazette Notifications issued by States/UTs. For calculation purposes, all areas under a specific Planning Development Authority will be uniquely counted to one, and cities common to both PMAY-U and PMAY-U 2.0 will also be uniquely counted for payment to DRMC.

6. In case of large UDA, the Constitution (74th Amendment) Act, 1992 does not specify an exact population for forming a Nagar Panchayat. It defines it as a transitional area between rural and urban, with states deciding the population threshold. Typically, States set it between 0.12 lakh to 0.40 Lakh but this varies based on local laws. For estimation purpose, average population 20,000 can be considered for typical Nagar Panchayat and as such can be considered for calculation of urban towns in a large UDA area having population more than 1 crore can be considered as 5 ULBs for estimation of charges for DRMC.
7. In addition to expenditure mentioned in Para 5 above, DRMC also Undertakes IT/IEC activities as per important assignments from other Departments/Ministries including but not limited to CABSEC, PMO, NITI Aayog etc. for programs and activities such as Viksit Bharat, Door to Door outreach campaigns, activities related to PMAY-U Awards for promotion of scheme benefits etc.
8. To empower DRMC in achieving the objectives set forth in the PMAY-U 2.0 guidelines, it is proposed that the existing DRMC setup by MoHUA through BMTPC may continue to encompass the full mission period of PMAY-U 2.0, including any potential extension. Additionally, the annual charge per city/area under the jurisdiction of the Planning Development Authority is proposed at the rate of ₹6,000/-. This reflects the heightened monitoring requirements for PMAY-U and PMAY-U 2.0 and includes maintenance of legacy data related to urban housing schemes initiated by MoHUA since 2004, such as JnNURM, RAY and PMAY-U.

B. CSMC Observations:

The Central Monitoring Committee (CSMC) firmly acknowledges the critical and exemplary role of the Data Resource Management Center (DRMC) in the proficient stewardship of DATA resources arising from the implementation of previous schemes under this Ministry. DRMC has decisively established itself as the authoritative custodian of DATA, meticulously managing scheme-related information instituted by the Ministry. Its rigorous analyses of past scheme performances have served as an instrumental force in delineating the framework of innovative initiatives, notably the transformative PMAY-U 2.0.

The CSMC has resolutely concluded that the comprehensive Dashboard, adeptly designed and maintained in-house by DRMC, constitutes a cornerstone of effective data management. This pivotal resource has emerged as an essential conduit of information, seamlessly shared with and leveraged by Central and State Governments, Urban Local Bodies (ULBs), Members of Parliament, and a broad spectrum of stakeholders. Access to the Dashboard has been streamlined with utmost efficiency, secured through multiple user-friendly modalities—including a one-time password issued to registered mobile numbers, a secure PIN generation, or the utilization of registered email addresses as credentials. In a strategic and forward-thinking decision, login privileges have been extended to all Members of Parliament without the requirement of passwords, reflecting an unwavering commitment to accessibility. This portal consolidates an extensive repository of data from prior Ministry of Housing and Urban Affairs (MoHUA) housing schemes, positioning it as an indispensable asset for informed policymaking.

Furthermore, DRMC's in-house team has demonstrated exceptional competence by independently developing the entirety of the IT infrastructure—encompassing web portals and mobile applications—without dependence on external entities. This self-sufficient expertise underscores DRMC's pre-eminence in operational excellence. Accordingly, the CSMC asserts with conviction that the services of DRMC, instituted under PMAY-U, must be sustained and expanded in scope, accompanied by revised charges as articulated in preceding sections, to ensure its continued contribution to the Ministry's objectives with unparalleled authority and foresight.

C: CSMC Decision:

After detailed discussions, the Committee **approved** the following:

- i. Annual charges for DRMC to be released in two half yearly instalments of ₹1.65 crore each (₹6,000 per annum per city/area under the jurisdiction of Planning Development Authorities, covering approximately 5,500 cities and areas) for the entire PMAY-U 2.0 Mission period including extension period, if any. These charges will include monitoring and maintenance of legacy data of all housing programme 2004 onward including JnNURM, RAY and PMAY-U. The amount will be released in two equal half yearly instalments every year on submission of Utilisation Certificate by BMTPC from the budget hear and Capacity Building and Administrative & Other Authorities may expand further through Gazette Notifications issued periodically by States/UTs for which additional fee will remain @₹6,000/- per city/area per annum.
- ii. Reimbursement of expenses incurred for significant assignments from other Departments and Ministries, including but not limited to CABSEC, PMO, and other Ministries on actual basis on submission of bill by BMTPC.

14	Methodology and Cost Norms for DPR Desk Scrutiny, DPR Site Scrutiny (along with Desk Scrutiny) and Random Quality Check of the Projects under PMAY-U 2.0 (Agenda 13)
----	---

A. Brief Information:

The Committee was informed that PMAY-U 2.0 has been designed to accommodate the needs of eligible urban families, considering the rapid pace of urbanization and the creation of new towns/cities. PMAY-U 2.0 follows a co-operative federalism model, gradually delegating development responsibilities to the States/UTs. The decision making authority is transferred to the State Level Sanctioning and Monitoring Committee (SLSMC) headed by the Chief Secretary and supported by the State Level Appraisal Committee (SLAC). SLAC, comprising technical and finance officers, appraises Detailed Project Reports (DPRs) and submits its recommendations for approval to SLSMC. The project development is done at ULB level and approved at State/UT Level. States/UTs are required to put in place a checking mechanism to ensure the following:

- Authenticity of data related to Land Ownership, site area, adherence to building bye-laws and standards.
- Eligibility criteria of the selected beneficiaries, details of the beneficiaries as per format 2A/2B/2C/3 (as the case may be) of the PMAY-U 2.0 guidelines including unique identification number of the beneficiary.
- Appraisal of the DPRs by the SLAC.
- Quality monitoring of projects including adherence to standards of construction, durability, disaster resilience, insurance of personnel, etc.
- Adherence to PMAY-U 2.0 guidelines, including provision of toilets in the house, minimum carpet area, etc.
- All other guidelines and standards as may be applicable.

2. In accordance with Para 11.5.10 of the PMAY-U 2.0 guidelines, desk-cum-site scrutiny of DPRs/Projects under PMAY-U 2.0 will be done by BMTPC/HUDCO on random basis. The site scrutiny of projects shall include checking the specific project details such as land title, beneficiary details, availability of services including trunk infrastructure at the project site, project viability etc. The site scrutiny report of BMTPC/HUDCO shall be submitted to the Ministry prior to the sanction of project(s) by the CSMC. A Memorandum of Agreement (MoA) would be signed with these agencies with the specified scope of work for the purpose. The desk-cum-site scrutiny of

[Handwritten signature]

projects using innovative technologies/materials will be done by BMTPC, being a technical partner under Technology & Innovation Sub-Mission (TISM).

3. Earlier, methodology and cost norms for DPR Desk Scrutiny, DPR Site Scrutiny (along with Desk Scrutiny) and Random Quality Check of the projects under PMAY-U were approved by CSMC in its 5th and 19th meetings.

4. Considering the proven practices and experience from the PMAY-U along with the outlined framework and requirements of PMAY-U 2.0, the methodology and cost norms for DPR Desk Scrutiny, DPR Site Scrutiny (including Desk Scrutiny) and Random Quality Check under PMAY-U 2.0 are proposed as under:

- Methods for scrutiny of projects:
 - i. Desk Review of Annexure 5A, 5B, 5C, 5D, 6 by Ministry of Housing and Urban Affairs (MoHUA) through PMU for all the proposals received.
 - ii. DPR Desk Scrutiny of the projects including detailed scrutiny of the DPRs including Technical Parameters, costing, beneficiary details, etc.
 - iii. DPR Site Scrutiny of the projects in case of Affordable Housing in Partnership (AHP), Affordable Rental Housing (ARH) and Beneficiary Led Construction (BLC) Projects.
- The broad consideration for sample selection of DPRs may be based on factors such as:
 - Size/number of projects
 - Budgetary outlay
 - Administration expenses allowed as per the scheme
 - Capacity to appraise the projects
- The following number of DPRs may be selected for scrutiny at the time of release of 1st installment of Central Assistance:

Vertical	Number of DPRs to be selected	Method of review
1. Affordable Housing in Partnership		
i) Desk Scrutiny for DPRs with innovative construction technologies	100%	Desk Scrutiny & Site Scrutiny
ii) Desk & Site Scrutiny of projects with conventional construction System	5%	
2. Affordable Rental Housing		
Desk Scrutiny for DPRs with innovative construction technologies	100%	Desk Scrutiny & Site Scrutiny

3. Beneficiary Led Construction	5%	Desk Scrutiny & Site Scrutiny
---------------------------------	----	-------------------------------

- Ordinarily, the DPRs shall be selected randomly. Special attention may be given to projects with the following characteristics:
 - i. Largest/smallest project in terms of dwelling units
 - ii. Project which has maximum number of beneficiaries
 - iii. Project with maximum number of SC/ST/OBC/Minority community and other Special Focused Group (SFG)
 - iv. In addition, any project where any public grievances, complaints, etc. have been received or given the specialized nature of the project.
- The DPR Site Scrutiny will involve:
 - i. Review of validation of beneficiary details as per the provision of PMAY-U 2.0
 - ii. Review of the design building plans, project layout etc.
 - iii. Review the architectural drawings/plan as per PMAY-U 2.0 guidelines/cost estimates based on State/UTSoR with cost applicable cost Index, and whether approved by the competent technical and administrative authority
 - iv. Review whether technical specification/design for housing has been included as per Indian Standards/National Building Code (NBC)/State norms amended as on date
 - v. Review whether basic/civic infrastructure and social infrastructure have been proposed in the project
 - vi. Review whether encumbrance free land is available for the project
 - vii. Sustainability measures including disaster resistant features and thermal comfort
 - viii. Review the status of statutory approvals from competent authorities
 - ix. In case of 'In-situ' slum redevelopment project, review whether provisions of the transit accommodation have been made for the slum dwellers in the project.

 - xi. Review whether implementation & management framework and O&M mechanism are included in the DPR
 - xii. Review of financial viability of the project
 - xiii. Other activities as required

- Further, Para 9.8.4 of the PMAY-U 2.0 guidelines stipulates that before release of second installment of Central Assistance, CSMC may check the quality of houses being constructed on random basis or houses of specific project through technical institutions along with reports of TPQMA selected by States for quality monitoring purpose. The CSMC, on a case to case basis may, accordingly, decide to have a quality check of the houses being constructed, if required, over and above the checks conducted by TPQMA before the release of second installment of Central Assistance.
- The Random Quality Check will involve:
 - i. Review of physical performance achieved in the project with respect to the milestones projected in the DPR
 - ii. Review the overall quality of work and report about cases of non-conformance from quality reviews based on physical status, available documents and interactions.
 - iii. Whether the physical progress is commensurate with financial progress. Report on abnormal delays and any other issues in project activities and advice on remedial measures

 - viii. Compliance with TPQMA observations
 - ix. Other activities as required

• **Justification for the proposed methodology**

As regards the selection of DPRs proposed with innovative construction technologies under AHP and ARH, the Desk Scrutiny for 100% of such DPRs has been proposed to ascertain that the innovative technologies being proposed are in line with PMAY-U 2.0 guidelines. In all other cases, the various activities such as Desk Scrutiny and Site Scrutiny, the sample selection has been kept as 5% of the total DPRs. In case of Random Quality Check, the sample proposed is 5% of the total projects.

5. In addition to the above methodology, cost norms for DPR Desk Scrutiny and Site Scrutiny are also proposed as under:

S. No.	Tasks	Percentage of proposed projects	Cost norms
1.	Desk Scrutiny of the selected DPRs	In case of AHP and ARH, 100% for DPRs using innovative construction technologies, 5% in case of DPRs under BLC, AHP and ARH (DPRs using conventional construction system)	For AHP and ARH: Desk Scrutiny of the selected DPRs @Rs. 1,00,000/- per site, and maximum up to Rs. 4,00,000/- per DPR In case of BLC: @Rs. 1,00,000/- for DUs up to 750, and Rs. 1,30,000/- for DUs more than 750
2.	DPR Site Scrutiny	5% in case of BLC, AHP and ARH	For AHP and ARH: DPR Site Scrutiny of selected DPR @Rs.1,20,000/- per site with Rs.40,000/site for subsequent sites (maximum 4 sites to be covered in a project). For BLC: @Rs.4,000/- per DU for 30 inspected DUs (up to 750 DUs) i.e. Rs.1,20,000/-, and Rs. 4,000/DU for maximum 50 inspected DUs (>750 DUs) i.e. Rs. 2,00,000/-
3.	Site Scrutiny along with DPR Scrutiny	5% in case of BLC, AHP and ARH	For AHP and ARH: Site Scrutiny along with DPR Scrutiny of selected DPRs @Rs. 2,00,000/site with Rs. 1,20,000/site for subsequent sites (maximum 4 sites to be covered in a project) For BLC: @Rs. 6,000/DU for 30 inspected DUs (up to 750 DUs) i.e. Rs. 1,80,000/-, and Rs. 6,000/DU for maximum 50 inspected DUs (>750 DUs) i.e. Rs. 3,00,000/-

- The following cost norms are proposed for Random Quality Check:

Task	Percentage of proposed projects	Cost norms
Random Quality Check	5% of the total Projects	For AHP and ARH: Random Quality Check of selected projects calculated Rs. 1,50,000/-per site with a ceiling of Rs.4,50,000/- (maximum 4 representative sites) For BLC: Rs. 5,000/DU for 30 inspected DUs (up to 750 DUs) i.e. Rs.1,50,000/-, and Rs.5,000/DU for maximum 50 inspected DUs (>750 DUs) i.e. Rs. 2,50,000/-.

• **Justification for the proposed cost norms:**

The cost norms have been modified with increase of about 50% from the earlier PMAY-U scheme due to various factors including increase in manpower

fyd

cost, air fare, stay, local transportation charges, etc. A comparison of All India CPI (all groups) between September 2015 and July 2024, indicates an increase in CPI of 54%.

6. Being technical agency of the Ministry, BMTPC is entrusted to take up various activities under Technology Sub-Mission of PMAY-U Mission. BMTPC assists Ministry and States/UTs for deploying disaster resistant, energy efficient and environment friendly technologies. Keeping in view the expertise of BMTPC in new and innovative technologies, it is proposed that the task of sample DPR Scrutiny and Quality check of following States/UTs where cities are falling prominently under Earthquake Hazard Zone IV & V as per National Building Code (NBC), may be entrusted to **BMTPC**:

Andaman & Nicobar Islands, Bihar, Chandigarh, Delhi, Gujarat, Haryana, Himachal Pradesh, Jammu & Kashmir, Ladakh, Punjab, Uttar Pradesh, Uttarakhand, All North Eastern States (Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim, Tripura) and West Bengal

The task of sample DPR Scrutiny and Quality Check of all remaining States/UTs is proposed to be entrusted to **HUDCO**, which are as under:

Andhra Pradesh, Chhattisgarh, Dadra & Nagar Haveli and Daman & Diu, Goa, Jharkhand, Karnataka, Kerala, Lakshadweep, Madhya Pradesh, Maharashtra, Odisha, Puducherry, Rajasthan, Tamil Nadu and Telangana.

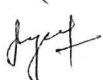

However, the Ministry may, at any time during the implementation of PMAY-U 2.0, re-assign or extend the responsibility of sample DPR Scrutiny and Quality Check to either BMTPC or HUDCO, depending on specific needs or emerging requirements.

It is also emphasized that the agencies shall form a proper team comprising technical manpower and supporting infrastructure to ensure the smooth and thorough execution of Site Scrutiny and Random Quality Check.

7. Expenditure on the above activities will be met out from Capacity Building and Administrative & Other Expenses Head under the scheme.

B. CSMC Observations

The Committee observed that the above activities are part of successful implementation of the PMAY – U 2.0 Mission and thus need to be continued.

C. CSMC Decision:

After detailed deliberations, the CSMC **approved** methodology and cost norms for DPR Desk Scrutiny, DPR Site Scrutiny (along with Desk Scrutiny) and Random Quality Check of the projects under PMAY-U 2.0 as proposed above.

18	GENERAL OBSERVATIONS
-----------	-----------------------------

- i. The focus of the PMAY-U Mission is now on completion of all sanctioned projects with its deliverables, States/UTs need to draw an action plan for grounding and completion of all sanctioned houses/project within stipulated timeframe of 31st December 2025 and further advised to launch a special drive/campaign for this purpose.
- ii. States/UTs also need to expedite submission of compliances such as UCs against earlier releases, ATR on TPQMA reports duly approved by SLSMC, status of social audit, updation of data in MIS etc. for release of **2nd and 3rd instalments** of Central Assistance.
- iii. Regular review of progress of geo-tagging for various stages of house construction needs to be done by the States/UTs and ensure that only good quality images are uploaded which are in public domain.

- iv. States/UTs should ensure that the **PMAY-U logo** is displayed in front of all housing units constructed under the Scheme. It may be noted that the beneficiary details with the logo on the stone plate should preferably be in local language. States/UTs should not display any such information which is in violation of Model Code of Conduct (MCC) as per instruction issued by the Election Commission of India/State Election Commissions from time to time.
- v. The Central Assistance released under PMAY-U Mission should be utilized within the time frame stipulated in the respective sanction orders. The States should transfer the interest accrued on the unspent balance to Bharat Kosh via PFMS every quarter as per the SOP circulated by Ministry of Finance.
- vi. States/UTs are advised to set a judicious limit in the PFMS in a manner that ULBs with faster progress are able to utilize funds commensurate with their performance, to enable faster completion of houses and ensure that their progress is not hampered due to lack of funds.
- vii. With regard to the vacant houses, if any, under JnNURM/RAY, the State Governments/UTs should look for realistic and pragmatic options for converting them into ARHCs.
- viii. Under PFMS/DBT process, the funds would have to be transferred at every stage only through electronic mode for Beneficiary Led individual house Construction (BLC) under PMAY-U. The bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly. There should also be 100% Aadhaar linkages of beneficiaries in all AHP, BLC, ISSR and CLSS cases.
- ix. All states to ensure updation of the legacy data pertaining to pre and post SNA mapping information in PFMS to remove any deficit of funds reflected in PFMS reports.
- x. It has come to notice that data on progress of construction of houses reported in PMAY-U-MIS and those discussed in the CSMC meetings varies many a time. States/UTs must upload **online Monthly Progress Reports (MPRs)** of all sanctioned projects in PMAY-U-MIS latest by 10th of every month so that the data are reconciled before every CSMC meeting.

- xi. For geo-tagging of houses under PMAY-U, the quality of the photograph is essential for the correct assessment of the progress of BLC houses through defined 5 construction stages. The State may ensure the resolution and size, direction and angle, of the photographs captured should be clear/haze free. The pictures of all construction stages of the house should have a picture of the beneficiary along with the house. Further, 100% Geo-tagging of completed houses under AHP/ISSR component should be ensured.
- xii. The State/UTs must ensure that after getting approval from CSMC for sanction/curtailment/cancellation of projects under PMAY (U) 100% project entry and beneficiary attachment in MIS. the States/UTs are further requested to complete the revision cycle of the revised/curtailed projects in MIS as marked by the Ministry. The State may submit the physical/Financial MPR for each month in MIS and ensure that the physical progress of houses as reported in Physical MPR is reflected in the geo-tagging stages captured on the Bhuvan Server.
- xiii. States/UTs should use innovative, cost effective and high-quality construction technologies for constructing the housing units under PMAY-U and document the same. The tender documents should preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.
- xiv. State/UT Governments are advised to ensure that:
 - a. Adequate infrastructure is provided including individual water, sanitation and electricity connections.
 - b. There should be no duplication/change in the identified beneficiaries.
 - c. Demarcation of land and mutation is carried out before implementation of the projects.
 - d. The design and construction of houses are disaster resilient, and the specifications conform to IS/NBC norms.
- xv. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY-U fraudulently. The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/ registration fee for applying for houses in PMAY-U. Thus, individual/agency/organization cannot collect any money/application fee from the beneficiary for enrolment under PMAY-U. All State/UT Governments may also issue disclaimer to this effect in

their relevant websites/advertisements etc. to stop this kind of fraudulent activity.

- xvi. State/UT Governments may prepare **short films, printed literature/documents** on projects undertaken under PMAY-U to showcase how lives of beneficiaries have transformed. It should be widely circulated both in print and electronic media and in various social media platforms for generating awareness. The State/UT Governments should also share with the Ministry high resolution photographs and video testimonials of beneficiaries whose houses have been completed.
- xvii. A PMAY-U Mobile App has already been provided by the Ministry to enable beneficiaries to upload their photos with their house and a video clip where beneficiaries share experience of owning a house under PMAY-U as testimonials. The App can be downloaded from Google Play Store. The State/UTs may inform their beneficiaries to upload the same using this Mobile App.

The meeting ended with a vote of thanks to the Chair.
