Minutes of the 4th meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) 2.0 and 74th meeting of the CSMC under Pradhan Mantri Awas Yojana (Urban) - Housing for All held on 12th August 2025.

The 4th meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana – Urban 2.0 (PMAY-U 2.0) and 74th meeting of the CSMC under Pradhan Mantri Awas Yojana – Urban (PMAY-U) was held on 12th August 2025 at 3.00 p.m. in the Conference Hall at 9th Floor of Sankalp Bhawan (GPOA-2 Building), KG Marg, New Delhi under the Chairmanship of Secretary, Ministry of Housing and Urban Affairs (MoHUA). The meeting was attended by the participants/representatives from various State/UT Governments, officers concerned of the Ministry and other Departments etc. The list of participants is at **Annexure-I**.

2. The meeting began with a welcome address by the Joint Secretary & Mission Director (HFA), MoHUA. States/UTs (as in Annexure-I) of Chhattisgarh, Gujarat, Himachal Pradesh, Ladakh, Madhya Pradesh, Maharashtra, Manipur, Mizoram, Odisha, Puducherry, Punjab, Tamil Nadu, Tripura, Uttarakhand and Uttar Pradesh attended the meeting (online/offline mode) who had submitted new proposals under PMAY-U 2.0 and proposals for addition/reinstatement/adjustment/curtailment/surrender of their houses/ projects under PMAY-U.

3. The CSMC was informed that under PMAY-U 2.0, all Management Information System (MIS) related activities are being carried out through the Unified Web Portal (UWP). These activities include beneficiary applications, verification, geo-tagging, beneficiary attachment, project creation/preparation of Detailed Project Reports (DPRs), generation of beneficiary lists, release of Central Assistance instalments, and monitoring of fund utilization, among others. It was reiterated that all State/UT Governments must utilize the UWP for all scheme-related activities, in strict compliance with the PMAY-U 2.0 guidelines. They were explicitly instructed not to operate separate MIS systems for beneficiary verification and attachment, as no further relaxation will be provided for beneficiary verification and attachment under the current PMAY-U 2.0 provisions. States/UTs were also directed to complete the demand survey for beneficiary selection under PMAY-U 2.0, ensuring proper verification to accurately determine demand across various verticals. Furthermore, they were advised to undertake extensive Information, Education & Communication (IEC) campaigns to enhance public awareness of the scheme within their respective jurisdictions.

4. Subsequently, Joint Secretary & Mission Director (HFA), made a detailed presentation covering present status of PMAY-U and PMAY – U 2.0. It was informed that as on date, a total of 119.31 lakh houses (after

curtailments as proposed by the State/UT Governments) have been sanctioned involving Central Assistance of about ₹2.01 lakh crore. Against the sanctioned houses, more than 112.98 lakh houses have been grounded for construction, of which 93.81 lakh houses are completed/delivered to eligible beneficiaries. Remaining sanctioned houses are at different stages of construction/yet to start. Central Assistance of ₹1.73 lakh crore has been released to States/UTs/CNAs so far. It was reiterated that there are still large number of under-constructed houses in Andhra Pradesh, Maharashtra, West Bengal and Karnataka. It was further clarified that no Central Assistance will be available after scheme period i.e. 31.12.2025 under PMAY-U and any spill over liabilities for completion of houses will have to be borne by the respective State/UT Governments from their resources. It was also emphasised that the construction work has to be completed as soon as possible.

5. The occupancy of completed AHP houses under PMAY-U is cause of concern, particularly in the States of Andhra Pradesh, Gujarat, Karnataka, Telangana, Tamil Nadu, Maharashtra and Uttar Pradesh. States/UTs need to expedite the completion of houses, infrastructure work and allotment of completed AHP houses to the eligible beneficiaries. The Secretary, MoHUA, expressed concern over the non-occupancy of completed houses under the AHP vertical, primarily due to inadequate infrastructure in several States and further directed that all necessary steps in this direction may be taken without delay.

6. It was reiterated that the States/UTs have been advised that the projects under PMAY-U 2.0 should have basic civic infrastructure/amenities like water, sanitation, sewerage, road, electricity etc. Urban Local Bodies (ULBs) should ensure that individual houses under ISS and BLC verticals shall also have the provision for these basic civic amenities. States/UTs shall endeavour to make suitable provisions for all required/necessary infrastructure and civic amenities in the project creation/DPRs to make it habitable. Similarly, geo-tagging of all sanctioned houses must be done in time bound manner.

7. It was further underscored that only projects under AHP and ARH vertical of PMAY-U 2.0 will be sanctioned from areas falling within the boundary of Notified Planning Areas, Notified Planning/ Development area under the jurisdiction of Industrial Development Authority/Special Area Development Authority/Urban Development Authority of the States/UTs and no project proposal under BLC vertical will be sanctioned by the Ministry till further directions.

8. It was reiterated that all the funds under PMAY-U 2.0 will be released through Mother Sanction under SNA-SPARSH module of PFMS only and no fund will be transferred through Treasury Accounts. So far, 25 States are

already on-boarded on SNA-SPARSH module for funding of Central Assistance under PMAY-U Mission and Mother Sanctions have also been issued for these States. All State/UT Governments were advised to take action in clearing the balance and closing the accounts in SNA module and start spending funds through SNA-SPARSH module only for both PMAY-U and PMAY-U2.0.

9. It was clarified that the AHP projects considered during the 4th CSMC meeting of PMAY-U 2.0 have been approved, subject to the submission of required compliances as per the PMAY-U 2.0 guidelines. As per the scheme guidelines, the Detailed Project Report (DPR) of AHP project proposals submitted by States/UTs for consideration of CSMC approval must contain land ownership documents, model drawing, design, layout, estimate, implementation methodology along with the list of eligible beneficiaries. States/UTs were advised to prepare new proposals under the AHP vertical in alignment with scheme guidelines only. It was further emphasized that funds will be released only after at least 50% of the beneficiaries have been selected in the AHP projects and attached in UWP and all other necessary compliances are met. States/UTs shall ensure all compliances on UWP as per the PMAY-U 2.0 Guidelines before start of any construction activity/Tender Activity. Further, in the present scenario, States/UTs who have not yet submitted these details in the DPR, are required to submit this compliance at the earliest. The subsequent DPRs/Proposals of AHP verticals shall only be considered by CSMC when these compliances are submitted by the States/UTs.

States/UTs shall endeavour to get already completed houses occupied under AHP/ISSR vertical of PMAY-U in a city on priority, before starting new projects under PMAY-U 2.0 in the same city. In fact, old constructed Central or State Government funded houses may also be allotted to eligible PMAY-U 2.0 beneficiaries, but such houses should not be kept unallotted and unoccupied.

Additionally, States/UTs were directed to formulate their respective **Affordable Housing Policies**, drawing on successful practices and experiences from other States/UTs. In this context, good practices of Affordable Housing Policy notified by the Government of Maharashtra, may also be referred during the formulation of their Affordable Housing Policy, incorporating reforms mandated under PMAY-U 2.0 scheme guidelines. **It was observed that there is good scope of projects under AHP vertical in the States of Gujarat, Karnataka, Telangana, Tamil Nadu and Maharashtra. Accordingly more and more AHP projects should be proposed under PMAY-U 2.0.**

10. **The Secretary, MoHUA also reiterated that Transit Oriented Development (TOD) driven housing projects near metro, highways and Nammo Bharat stations in convergence with urban centres should be**

encouraged and State/UT Governments should propose large number of houses especially in the AHP vertical in close vicinity of these locations.

It was further mentioned that houses constructed at isolated places remain unoccupied due to lack of transportation, employment issues and proximity to the main city areas, thus it is important that new houses are constructed upcoming urban centres, transport/metro connectivity etc. A check-list to this effect may be prepared before considering Central Assistance for sanction of houses. It was further suggested that the French typology on energy conservation and sustainable housing practices may be explored and economically viable Indo-French collaboration in the mutually agreeable areas may be looked into. It was further directed that more and more research studies should be taken up for promoting affordable housing ecosystem.

11. Thereafter, Joint Secretary & Mission Director (HFA) introduced the **agenda** for both 4th CSMC meeting under PMAY-U 2.0 and 74th CSMC meeting under PMAY-U. The agenda items also form part of the minutes. The minutes recorded in alphabetical order are as follows:

21	Removal of Sanctioned Beneficiaries under PMAY-U 2.0 due to duplicate beneficiaries between PMAY-U (BLC, AHP, and CLSS verticals) and PMAY-U 2.0 (Agenda 21)
-----------	---

A. Basic Information:

As per the PMAY Urban 2.0 scheme guidelines, States and Union Territories are required to rigorously verify beneficiary eligibility before submitting proposals to the Central Government. Key eligibility criteria are outlined in Sections 3.1, 3.2, 3.5, 3.6, and 3.7 of the guidelines, which include: no current ownership of a pucca house, no prior benefit under any housing scheme in the last 20 years, and prevention of duplicate registrations across PMAY-U components. After cross-examination of sanctioned beneficiaries (including spouses) under PMAY-U 2.0 found duplicates with the existing beneficiary/spouse database under PMAY-U.

An automated data-matching exercise using hashed Aadhaar identifiers was conducted to cross-check the 7,09,979 beneficiaries sanctioned under PMAY-U 2.0 against the existing PMAY-U database. The exercise revealed a total of 2,130 duplicate records: many newly sanctioned beneficiaries (or their spouses) already appeared in prior PMAY-U beneficiary lists across components such as BLC, CLSS, AHP, and ISSR. The state-wise summary of duplicate beneficiaries identified are as follows:

S. No	State	Sanctioned houses	Duplicate with PMAY(U) beneficiaries/spouse in PMAY(U) 2.0

22.	Proposal for Executive Course on "Affordable Housing under PMAY-U 2.0" at Institute for Housing and Urban Development Studies (IHS), Rotterdam, the Netherlands (Agenda 30)
------------	--

A. Basic Information:

The Committee was informed that on the sidelines of the World Urban Forum 12 (WUF 12) held at Cairo, Egypt during November 4-8, 2024, a meeting was held between Dr. David Dodman, General Director of the Institute for Housing and Urban Development Studies (IHS), Erasmus University, the Netherlands and Mr. Srinivas Katikithala, Secretary, MoHUA, Government of India, wherein Mr. Sanjay Kulshrestha, CMD, HUDCO and Director, Corporate Planning (HUDCO) were also present. In the meeting, both

sides reiterated their support to revive the collaboration between the IHS and HUDCO/HSMI as well as to start joint capacity building programmes on housing and urban management for various stakeholders including various Mission leaders in India. In this regard, it is stated that a Memorandum of Understanding (MoU) was signed between MoHUA, Government of India, and Ministry of the Interior and Kingdom Relations (MoIKR), the Netherlands in 2018 with indefinite validity. With an objective to implement the purpose expressed in the MoU as above, as well as to carry forward the discussions held at WUF 12, a non-binding MoU has been signed between HUDCO and IHS on 17th February 2025, reinforcing the cooperation and collaboration to leverage the respective strengths of the concerned institutions for the effective implementation of training, research and capacity building activities in the field of human settlements.

Executive Course on "Affordable Housing under PMAY-U 2.0":

As an initial step to operationalise the above-said MoU, IHS was requested to formulate an Executive Course on "Affordable Housing under PMAY-U 2.0" to be held at IHS, Rotterdam, the Netherlands for the various stakeholders/senior functionaries involved in the implementation of PMAY-U 2.0, focusing on global best practices on housing policy interventions on the house value chain, social and rental housing, access to land for housing, affordable housing finance and related aspects. In this regard, it is stated that IHS has formulated a 5 Day Executive Course and the same also came up for discussion during the Work level meeting held on 9th July 2025, between MoHUA and the Netherlands team, wherein it was desired that IHS course may be undertaken during October 2025. Further, it is stated that IHS has consented to organise the above-said Executive Course during October 27-31, 2025 at Rotterdam, the Netherlands.

Financial Implications:

IHS has submitted the cost estimates for the said course. The total estimated cost is Euro 52,506.84 (excluding the travel expenses) for a batch comprising of minimum 25 participants. As per discussion held between MoHUA and HUDCO, it is proposed that the cost on organising the said course, may be shared equally between MoHUA and HUDCO.

B. CSMC Observations

The Committee noted that such activities would help strengthen global best practices in the housing sector. However, it was emphasized that officers nominated by the State/UT Governments for the Executive Course must have demonstrated exemplary work in the housing sector, particularly in the

implementation of PMAY-U Mission and methodology for selection of such officers should be well prepared.

C. CSMC Decision:

After detailed deliberations, CSMC approved the following:

- To organize an Executive Course on "Affordable Housing under PMAY-U 2.0" at the Institute for Housing and Urban Development Studies (IHS), Rotterdam, the Netherlands for the various stakeholders/senior functionaries involved in the implementation of PMAY-U 2.0 (senior functionaries of MoHUA, State Governments and HUDCO).
- Estimated cost of course of **Euro 52,506.84** (excluding the travel expenses).
- Sharing of costs of course between MoHUA and HUDCO in the ratio of 50:50 and payable to IHS for conducting this course. The expenditure on part of MoHUA will be borne under Capacity Building activities of PMAY-U 2.0. MoHUA will reimburse its share to HUDCO after expenditure.
- Travel cost will be borne by MoHUA/State/UTs for its officers/officials for travel up to Rotterdam, the Netherlands.

23.	Conducting studies on Real Estate Laws, RERA judgments and Affordable Housing Policies by leading National Law Universities for promoting urban housing eco-system. (Agenda 31)
-----	--

A. Brief Information:

- i. Urban India is experiencing rapid transformation fuelled by migration and infrastructure demands, yet housing, particularly affordable housing for EWS and LIG remains critically underserved. While Government initiatives have expanded housing access, systemic issues including fragmented land titling, restrictive land-use policies, and outdated zoning laws have created major roadblocks. Complex land ownership disputes, limitations on Floor Area Ratio (FAR), and bureaucratic hurdles in converting land for residential use all contribute to supply-side stagnation. Additionally, rigid tenancy laws, a lack of uniform adoption of the Model Tenancy Act, and weak dispute resolution mechanisms further disincentivize private sector investment in rental housing.
- ii. Development is also hampered by approval delays, inconsistent building by-law interpretations etc. Taxation and registration costs remain high, reducing affordability for end-users. Without

integrated reforms across legal, administrative, and planning frameworks, affordable housing in India will struggle to keep pace with urban growth and demand. RERA implantation and its contribution towards development of Real Estate, particularly housing, remains at different level across States and needs to be investigated & researched.

II. Proposed location research facilities:

The Ministry proposes to collaborate with leading law institutions across India by conducting research/studies through maximum 10 National Law Universities across North, South, East, West, North-East regions. To begin with, it is proposed to seek proposals and set up these research facilities at following 7 institutes:

National Law School of India University, Bengaluru, Karnataka

1. National Law University, Jodhpur, Rajasthan
2. Dr. Ram Manohar Lohiya National Law University, Lucknow, Uttar Pradesh
3. Maharashtra National Law University, Mumbai, Maharashtra
4. National Academy of Legal Studies and Research (NALSAR), Hyderabad
5. West Bengal National University of Juridical Sciences, Kolkata, West Bengal
6. National Law University, Guwahati

Based on response, proposals may also be sought from other interested National Law Universities.

III. Objectives:

- The initiative aims to conduct interdisciplinary research on housing laws and implementation mechanisms, reviewing legal frameworks related to land use, planning, tenancy, building bye-laws, and RERA across all governance levels.
- It will assess approval processes, identify regulatory bottlenecks, and propose streamlining measures. Region-specific model legal provisions will be developed for adoption by States/UTs, alongside innovative frameworks for land monetisation and management to boost housing supply particularly in affordable segment.
- The initiative also involves partnering with leading law institutions and documenting national and international best practices in housing law and governance reform.

IV. Possible Areas of Research and Expected Outcomes:

The proposed centres aim to streamline India's housing legal ecosystem by conducting comprehensive legal mapping of Central, State, and ULB-level laws related to land, housing, and urban development. They will identify legal and procedural bottlenecks - such as approval delays, outdated rules, and regulatory overlaps and recommend targeted legal and administrative reforms to ease compliance, particularly for affordable housing.

These centres will develop region-specific policy recommendations and model legal frameworks, harmonising housing, urban planning, environmental, and financial regulations. They will also draft modernised model clauses for bye-laws and land regulations, support land monetisation strategies, and potentially lay the groundwork for a permanent National Housing Legal Observatory. Aligned with MoHUA's vision for Viksit Bharat @2047, the initiative seeks to promote inclusive, transparent, and efficient urban development through evidence-based legal innovation.

V. Funding & Payment:

Each Centre will be eligible for a grant of **₹50 lakh**, disbursed in tranches linked to deliverables. Detailed financial terms, reporting requirements, and utilization certification will be outlined in the formal engagement letter based on MoU and proposal by concerned NLU. The payment to each centre shall be made by MoHUA as per following criteria:

- i. 1st instalments of 50% upon signing of Memorandum of Understanding (MoU) with MoHUA and acceptance of project proposals.
- ii. Remaining 2nd installment of 50% shall be released after submission of Final Report to the Ministry.

Along the lines of this concept note, proposals will be sought from concerned National Law Universities and approval of Secretary, MoHUA will be taken on such proposals. Expenditure will be incurred from Capacity Building Activities of PMAY-U 2.0.

The activity will be carried out as a continuous process up to the PMAY-U 2.0 Mission period, allowing for sustained research, stakeholder engagement, and phased implementation of legal and policy recommendations.

VI. Intellectual Property Rights

All reports, data, and materials shall be the property of the Government of India and shall not be published or shared without prior written approval.

B. CSMC Observations:

The Committee observed that the studies to be undertaken through National Law Universities will help in formulation of policies, rules and regulations as also taking appropriate decisions in the matters of land use, planning, tenancy, building bye-laws, and RERA across all governance levels.

26. Proposal for surrender of 367 houses in 2 ISSR projects approved in 43rd CSMC meeting under PMAY-U Mission submitted by State of Haryana (Agenda 24)

A. Brief Information:

The Committee was informed that the State Government of Haryana has submitted a proposal for surrender of 367 houses in 2 ISSR projects approved in 43rd CSMC meeting under PMAY-U Mission. The SLSMC in its meeting held on 29.01.2025 has approved surrender of 2 ISSR projects.

Sanctioned and Proposed for Surrender			
No. of Houses	Project Cost	Central Assistance	1 st Instalment of Central Assistance (40%)
367	3,314.40	367.00	146.80

B. Reasons for surrender of projects/houses under ISSR vertical given by the State:

As stated in the minutes of the meeting of SLSMC held on 29.01.2025, the reasons for surrender for projects/houses under ISSR vertical are as under:

- The demand survey conducted in 2017 to identify the beneficiaries in PMAY-U, 80 slums were identified, but after verification only two slums i.e. Deha Basti, Assandh (Karnal) and Tapriwas Colony, Jind were reported to be tenable by the survey agency. Accordingly, MC, Jind and MC, Assandh had invited tender for re-development of these slums under PPP model, but no proposal was received.
- Further, as per decision taken in the 16th meeting of SLSMC held on 17.05.2023, MC, Asandh and MC, Jind were again asked to re-float the RFPs and sites were also physically visited and it was observed that these sites are not potentially and financially viable. Moreover, Govt. of India has launched 2nd phase of PMAY-U i.e. PMAY-U 2.0.
- In view of the above, the target of 367 houses under these two ISSR projects may be curtailed being non-starter. Thus, proposal was put up vide agenda item No. 17.5 in the 17th meeting of SLAC-PMAY-U held on 11.11.2024, which was approved.
- Further, the proposal for these two ISSR projects was approved by SLSMC in its 17th meeting held on 29.01.2025.

C. CSMC Observations:

The State Government should have taken due diligence in identifying the eligible beneficiaries while formulating the proposal and seeking approval of CSMC. It should be ensured that no eligible beneficiary is deprived of the

benefits due to the proposed curtailment/surrender. The State Government may ensure proper documentation and record of the earlier identified beneficiaries to avoid any future dispute and resentment of the beneficiaries in case of curtailment/surrender of the houses/projects.

D. CSMC Decision:

After detailed deliberations, the CSMC **approved** surrender of 367 houses in 2 ISSR projects approved in 43rd CSMC meeting as proposed by the State Government of **Haryana** and directed as under:

- a) Central Assistance released for the proposed surrender of projects/houses, if any, may be adjusted in the subsequent releases to the State.
- b) State Government to ensure uploading of revised signed Annexure 7A and remove the surrendered projects and beneficiaries from PMAY(U)-MIS. Further, before removing the beneficiaries from PMAY(U)-MIS, State may ensure that no eligible and willing beneficiary is surrendered/removed.

Details of surrender of houses (CSMC-wise and project-wise) are at **Annexure-XVIII**.

The State Government should have taken due diligence in identifying the eligible beneficiaries while formulating the proposal and seeking approval of CSMC. - i. In the 61st Central Sanctioning and Monitoring Committee (CSMC) meeting held on 05.05.2022, the curtailment of 10,722 DUs under 411 BLC (New) projects and 1,309 DUs under 97 BLC (Enhancement) projects, as submitted by the State, was duly approved.
- ii. Subsequently, certain discrepancies in the number of DUs were identified due to calculation errors in the data sent by the Urban Local Bodies. Considering the same, an agenda item regarding the modifications was duly placed before the 21st State Level Sanctioning and Monitoring Committee (SLSMC) meeting held on 07.03.2024, under Agenda Item No. 21.07.
- iii. In view of above, the State proposed for addition of 75 houses which curtailed due to typographical error, and curtailment of 3 houses in 16 BLC projects and 1 BLC project respectively.

B. CSMC Observations:

The State Government should have taken due diligence in identifying the eligible beneficiaries while formulating the proposal and seeking approval of CSMC. It should be ensured that no eligible beneficiary is deprived of the benefits due to the proposed curtailment/surrender. The State Government may ensure proper documentation and record of the earlier identified beneficiaries to avoid any future dispute and resentment of the beneficiaries in case of curtailment/surrender of the houses/projects.

In the matter of adding/reinstating 75 houses across 16 projects, the CSMC expressed serious concern. It was stressed that accountability for typographical or data errors must be fixed on the concerned officials. Proposals involving deletion followed by reinstatement put unnecessary paper work/data editing etc. at the HFA Directorate, particularly since data reports are submitted at the highest level. Such errors are not acceptable and should not be repeated.

C. CSMC Decision:

After detailed deliberations, the CSMC **deferred** addition/reinstatement of 75 houses in 16 BLC projects sanctioned in different CSMC meetings as proposed by State Government of **Punjab**

33.	GENERAL OBSERVATIONS
------------	-----------------------------

- i. The focus of the PMAY-U Mission is now on completion of all sanctioned projects with its deliverables, States/UTs need to draw an action plan for grounding and completion of all sanctioned houses/project within stipulated timeframe of 31stDecember 2025 and further advised to launch a special drive/campaign for this purpose.

- ii. States/UTs shall endeavour to occupy the already completed but unoccupied houses under AHP vertical in a city before proposing for next project proposals under PMAY-U 2.0 in the same city.
- iii. States/UTs also need to expedite submission of compliances such as UCs against earlier releases, ATR on TPQMA reports duly approved by SLSMC, status of social audit, updation of data in MIS etc. for release of **2nd and 3rd instalments** of Central Assistance.
- iv. Regular review of progress of geo-tagging for various stages of house construction needs to be done by the States/UTs and ensure that only good quality images are uploaded which are in public domain.
- v. States/UTs should ensure that the **PMAY-U logo** is displayed in front of all housing units constructed under the Scheme. It may be noted that the beneficiary details with the logo on the stone plate should preferably be in local language. States/UTs should not display any such information which is in violation of Model Code of Conduct (MCC) as per instruction issued by the Election Commission of India/State Election Commissions from time to time.
- vi. The Central Assistance released under PMAY-U Mission should be utilized within the time frame stipulated in the respective sanction orders. The States should transfer the interest accrued on the unspent balance to Bharat Kosh via PFMS every quarter as per the SOP circulated by Ministry of Finance.
- vii. States/UTs are advised to set a judicious limit in the PFMS in a manner that ULBs with faster progress are able to utilize funds commensurate with their performance, to enable faster completion of houses and ensure that their progress is not hampered due to lack of funds.
- viii. With regard to the vacant houses, if any, under JnNURM/RAY, the State Governments/UTs should look for realistic and pragmatic options for converting them into ARHCs.
- ix. Under PFMS/DBT process, the funds would have to be transferred at every stage only through electronic mode for Beneficiary Led individual house Construction (BLC) under PMAY-U. The bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly. There should also be 100% Aadhaar linkages of beneficiaries in all AHP, BLC, ISSR and CLSS cases.
- x. All states to ensure updation of the legacy data pertaining to pre and post SNA mapping information in PFMS to remove any deficit of funds reflected in PFMS reports.
- xi. It has come to notice that data on progress of construction of houses reported in PMAY-U-MIS and those discussed in the CSMC meetings varies many a time. States/UTs must upload **online**

Monthly Progress Reports (MPRs) of all sanctioned projects in PMAY-U-MIS latest by 10th of every month so that the data are reconciled before every CSMC meeting.

- xii. For geo-tagging of houses under PMAY-U, the quality of the photograph is essential for the correct assessment of the progress of BLC houses through defined 5 construction stages. The State may ensure the resolution and size, direction and angle, of the photographs captured should be clear/haze free. The pictures of all construction stages of the house should have a picture of the beneficiary along with the house. Further, 100% Geo-tagging of completed houses under AHP/ISSR component should be ensured.
- xiii. The State/UTs must ensure that after getting approval from CSMC for sanction/curtailment/cancellation of projects under PMAY (U) 100% project entry and beneficiary attachment in MIS. the States/UTs are further requested to complete the revision cycle of the revised/curtailed projects in MIS as marked by the Ministry. The State may submit the physical/financial MPR for each month in MIS and ensure that the physical progress of houses as reported in physical MPR is reflected in the geo-tagging stages captured on the Bhuvan Server.
- xiv. States/UTs should use innovative, cost effective and high-quality construction technologies for constructing the housing units under PMAY-U and document the same. The tender documents should preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.
- xv. State/UT Governments are advised to ensure that:
 - a. Adequate infrastructure is provided including individual water, sanitation and electricity connections.
 - b. There should be no duplication/change in the identified beneficiaries.
 - c. Demarcation of land and mutation is carried out before implementation of the projects.
 - d. The design and construction of houses are disaster resilient, and the specifications conform to IS/NBC norms.
- xvi. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY-U fraudulently. The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/ registration fee for applying for houses in PMAY-U. Thus, individual/agency/organization cannot collect any money/application fee from the beneficiary for enrolment under PMAY-U. All State/UT Governments may also issue disclaimer to

this effect in their relevant websites/advertisements etc. to stop this kind of fraudulent activity.

xvii. State/UT Governments may prepare **short films, printed literature/documents** on projects undertaken under PMAY-U to showcase how lives of beneficiaries have transformed. It should be widely circulated both in print and electronic media and in various social media platforms for generating awareness. The State/UT Governments should also share with the Ministry high resolution photographs and video testimonials of beneficiaries whose houses have been completed.

xviii. A PMAY-U Mobile App has already been provided by the Ministry to enable beneficiaries to upload their photos with their house and a video clip where beneficiaries share experience of owning a house under PMAY-U as testimonials. The App can be downloaded from Google Play Store. The State/UTs may inform their beneficiaries to upload the same using this Mobile App.

The meeting ended with a vote of thanks to the Chair.
