**Minutes of the 57<sup>th</sup> meeting of Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) - Housing for All Mission held on 23<sup>rd</sup> December, 2021.**

The 57<sup>th</sup> meeting of Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana - Urban (PMAY-U) was held on 23<sup>rd</sup> December, 2021 at 3.00 p.m.in the Conference Room, Nirman Bhawan, New Delhi, under the Chairmanship of Secretary, Ministry of Housing and Urban Affairs (MoHUA) and attended by participants/representatives from the State/UT Governments, officers of the Ministry and other Departments etc. The list of participants is at **Annexure-I**.

2. The meeting began with welcome address by the Joint Secretary & Mission Director (HFA). The States of Bihar, Chhattisgarh, Jharkhand, Gujarat, Karnataka, Telengana, Tamil Nadu, Uttar Pradesh and West Bengal attended the meeting for reviewing the progress of implementation of mission in respective States. The States of Andhra Pradesh, Madhya Pradesh, Maharashtra, Puducherry, Tripura and Uttrakhand attended the meeting for review/monitoring and also submitted proposals for new/revision of projects.

3. At the onset, Secretary, MoHUA launched a Compendium on "**Indigenous Innovative Building Materials and Construction Technologies**". The compendium provides details about 84 technologies showcased during 'Indian Housing Technology Mela' (IHTM) held in Lucknow from 5th to 7th October 2021. It will serve as useful resource for dissemination of technologies for field level application, its replication across the country. The compendium will help policymakers, public/private construction agencies, other stakeholders to select and adopt materials, technologies in future housing projects. While releasing the Compendium, Secretary, MoHUA, urged the States/UTs to share it widely with construction agencies, engineers, architects for utilising these technologies for construction for the benefit of the housing sector. It was directed that soft copy in PDF format may also be made available on the PMAY-U and MoHUA website.

Joint Secretary & Mission Director (HFA) made a presentation on the **Light House Projects (LHPs)** being executed at six locations. It was noticed that due to flood, pandemic, untimely rain, and other technical issues, there has been some delay in completion of these projects. The Committee observed that while there is considerable progress, it is equally important that these are completed on time and all stake holders viz. State Governments, executive agencies, BMTPC etc. may ensure appropriate action at their levels. The basic purpose of LHPs is demonstration of cost-effective construction techniques which can be adopted for speedier construction activities in the country.

Secretary, MoHUA in his opening remarks requested all State/UT Governments to make use of **LHPs** and **NAVARITIH** (New, Affordable, Validated, Research Innovation Technologies for Indian Housing), a certificate course on Innovative Housing Technologies, and also propagate 'Technograhi' amongst all stake holders viz builders, architects, PWDs, State Housing Boards, Development Authorities etc. Registered Technograhis can now take benefit through these specifically designed e-modules for learning, propagating and adopting new innovative technologies in all construction activities in different geo-climatic regions. The aim is to minimise use of natural resources, adopt environment friendly materials, less generation of carbon emission and cost-effective & speedier construction activities. It was also emphasised that these innovative technologies are not only for housing construction but can be adopted suitably for any other allied construction activities.

Thereafter, CSMC reviewed progress of PMAY-U of participating States/UTs in the meeting. While reviewing the status of implementation of PMAY-U in the participating States/UTs, CSMC directed the States//UTs to expedite grounding of remaining sanctioned houses so that construction of all houses is completed within the stipulated timeline. It was further decided that unspent funds may be utilized and UCs may be submitted at the earliest so that further Central Assistance can be released for the projects. CSMC also emphasised the need to declare cities/States/UTs as '**HFA Achieved**'.

Joint Secretary and Financial Advisor, MoHUA also highlighted the issue of pending UCs and need to comply with the new Public Financial Management System (PFMS) procedure and glad to inform that all States implementing PMAY-U have on boarded to the SNA model of PFMS. Few States are now required to expedite on opening of zero balance accounts by IA/ULBs, transfer interest earned from the scheme to the respective consolidated fund (of State or India) and ULBs having unspent funds available may redeposit the fund in SLNA account without further delay. No Central Assistance will be released until the revised procedure is fully functional in the State/UT Governments.

4. Thereafter, Joint Secretary & Mission Director (HFA) introduced the **agenda** for the meeting. The agenda items also form part of the minutes. The minutes recorded in alphabetical order are as follows:

### C. CSMC Decision:

After deliberations, the Committee **approved** the proposal of State Govt. of Telangana for using the completed DHP at Gachibowli, Hyderabad for demonstration purpose and dormitory for the participants of regular trainees.

#### 17 GENERAL OBSERVATIONS

- i. States/UTs should ensure that the **PMAY-U logo** is displayed in front of all housing units constructed under the Scheme. However, States/UTs should not display any such information which are in violation of Model Code of Conduct (MCC) as per instruction issued by the Election Commission of India/State Election Commissions from time to time.
- ii. State/UT Governments may prepare **short films, printed literature/documents** on projects undertaken under PMAY-U to showcase how lives of beneficiaries have transformed. It should be widely circulated both in print and electronic media and in various social media platforms for generating awareness. The State/UT Governments should also share with the Ministry high resolution photographs and video testimonials of beneficiaries whose houses have been completed.
- iii. The Central Assistance in general and EBR funds in particular, released under PMAY-U Mission should be passed on to the ULBs/Implementing Agencies within the time frame stipulated in the respective sanction orders and registration of all ULBs on PFMS may be ensured by all State/UT Governments. This is a very important matter hence appropriate arrangements and safeguards must be built in. The EBR fund is an interest-bearing fund, and it is important that the funds so released to the States/UTs do not remain parked with SLNA/State/UT Governments but is utilized on fast pace for the purpose it has been released. Any interest earned on the parked fund will be refunded to CFI.
- iv. With regard to the vacant houses, if any, under JnNURM/RAY, the State Governments/UTs should look for realistic and pragmatic options for converting them into ARHCs.
- v. A robust MIS System being critical for PMAY-U Mission, States/UTs need to constantly monitor the linking of beneficiaries to sanctioned projects in PMAY-U-MIS. All States/UTs should ensure that the Aadhaar details of beneficiaries with regards to their number and name is accurate while updating in MIS.

- vi. Under PFMS/DBT process, the funds would have to be transferred at every stage only through electronic mode for Beneficiary Led individual house Construction (BLC) under PMAY-U. The bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly. There should also be 100% Aadhaar linkages of beneficiaries in all AHP, BLC, ISSR and CLSS cases.
- vii. It has come to notice that data on progress of construction of houses reported in PMAY-U-MIS and those discussed in the CSMC meetings varies many a time. States/UTs must upload **online Monthly Progress Reports (MPRs)** of all sanctioned projects in PMAY-U-MIS latest by 10<sup>th</sup> of every month so that the data are reconciled before every CSMC meeting.
- viii. States/UTs should use innovative, cost effective and high-quality construction technologies for constructing the housing units under PMAY-U and document the same. The tender documents should preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.
- ix. State Level Appraisal Committee (SLAC) is expected to thoroughly appraise the DPRs before submitting the same to State Level Sanctioning & Monitoring Committee (SLSMC) for approval. Combining SLAC and SLSMC meeting is not permissible as the mandate of the two bodies is distinct.
- x. State/UT Governments are advised to ensure that:
  - Adequate infrastructure is provided including individual water, sanitation and electricity connections.
  - There should be no duplication/change in the identified beneficiaries.
  - Demarcation of land and mutation is carried out before implementation of the projects.
  - The design and construction of houses are disaster resilient, and the specifications conform to IS/ NBC norms.
- xi. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY-U fraudulently. The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/registration fee for applying for houses in PMAY-U. Thus, individual/agency/organization cannot collect any money/application fee from the beneficiary for enrolment under PMAY-U. All State/UT Governments may also issue disclaimer to this effect in their relevant websites/Advertisements etc. to stop this kind of fraudulent activity.
- xii. The Ministry has launched a PMAY-U Mobile App to enable beneficiaries to upload their photos with their house and a video clip where beneficiaries share experience of owning a house under PMAY-U as testimonials. The App

can be downloaded from Google Play Store. The State/UTs may inform their beneficiaries to upload the same using this Mobile App.

The meeting ended with a vote of thanks to the Chair.
