The JS & MD (HFA) mentioned that the States/UTs may submit fresh proposals for sanction in forthcoming CSMC meetings, but it should be within the limit of proposed number of curtailment of houses. He further suggested that States/UTs may submit proposals in advance without waiting for announcement of CSMC meeting so that desk and site scrutiny of the project proposals are completed well in advance.

On the request of Mission Director (HFA) an **e-Book encapsulating achievements of the Mission** was released by Secretary, MoHUA. The book takes the readers through the initiatives and reforms that have been undertaken by the Mission to transform the urban landscape of India and more importantly, the impact it has had on the lakhs of beneficiaries of PMAY-U, who are proud owners of a pucca house with all basic amenities. The e-Book can be downloaded from PMAY-U website (<https://pmay-urban.gov.in/>).

Further, winners of **Khushiyon Ka Aashiyana** - a Short Film Contest were also declared. The contest was launched by MoHUA as part of Azadi ka Amrit Mahotsav celebrations. 1	Confirmation of the minutes of the 61st meeting of CSMC under PMAY-U held on 5.5.2022 (Agenda 1)
---	--

The minutes of the **61st meeting of CSMC under PMAY-U** held on 5.5.2022 were confirmed.

2	Proposal for curtailment of 226 houses in 1 AHP project submitted by UT of Andaman & Nicobar Islands (Agenda 2)
---	--

A. Basic Information:

The Committee was informed that UT Government of Andaman & Nicobar Islands has proposed for curtailment of 226 houses in 1 AHP project approved in 51st CSMC meeting. The reason for curtailment was mainly due to non-responsiveness of beneficiaries. The SLSMC in its meeting held on 31.5.2022 has approved the curtailment/surrender as under:

Proposal for curtailment of 226 houses in 1 AHP project

(₹ in lakh)

Sanctioned				Revised for Sanction			
No. of Houses	Project Cost	Central Assistance	1 st Instalment of Central Assistance (40%)	No. of Houses	Project Cost	Central Assistance	1 st Instalment of Central Assistance (40%)
555	14,813.00	832.50	333.00	329	8,781.04	493.50	197.40

B. CSMC Observations:

The UT Government should take due diligence in identifying the eligible beneficiaries while formulating the proposal and seeking approval of CSMC. It should be ensured that no eligible beneficiaries are deprived of the benefit due to the proposed curtailment. The UT Government may ensure proper documentation and record of the earlier identified beneficiaries to avoid any future dispute and resentment of the beneficiaries in case of curtailment/cancellation of the houses/projects.

C. CSMC Decision:

After detailed deliberations, the CSMC **approved** curtailment of 226 houses in 1 AHP project sanctioned in the CSMC meeting as proposed by the UT Government of **Andaman & Nicobar Islands** and directed as under:

- UT must ensure that the DPRs where the curtailment has been proposed are revised accordingly and uploaded in the website of SLNA/Department immediately.

- b. Central Assistance released, if any, for these beneficiaries in different projects may be adjusted in subsequent releases to the UT.
- c. UT Govt. must ensure uploading of revised signed annexure (7B) and remove the curtailed beneficiaries from PMAY-U-MIS.
- d. State should ensure that no eligible and willing beneficiary is removed/curtailed.

The details of curtailed houses (CSMC-wise and project-wise) are at **Annexure - II.**

Addressing the participants on this occasion of 7th Anniversary of PMAY-U, the Secretary, MoHUA expressing his satisfaction mentioned that a lot has been achieved under the Mission but still a lot has to be achieved ahead. The States/UTs should focus on completion of sanctioned houses. While ensuring uninterrupted fund flow, we should inspire and encourage implementing agencies to complete the houses in faster manner. Local NGOs, Elected Representatives etc. may be engaged to connect with the beneficiaries by conducting ward level meetings and address the local issues, if any. The houses which cannot be completed due to any reason, should be curtailed without further delay. He further said that I am confident that together we will be able to achieve the intended goal of the Mission within given timeframe.

2	GENERAL OBSERVATIONS
----------	-----------------------------

- i. PMAY-U has completed its intended tenure on 31.3.2022. Further extension upto 31.3.2024 is under active consideration of the Government for completion of already approved projects. Now onwards, no additional houses will be sanctioned, and focus will remain on completion of houses.
- ii. Under Credit Linked Subsidy Scheme (CLSS), the subsidy will be released for all the applications approved till 31.3.2022 by the respective Central Nodal Agencies (CNAs).
- iii. The focus of the Mission is now on completion of all sanctioned projects with its deliverables, States/UTs need to draw an action plan for grounding and completion of all the sanctioned houses/projects within stipulated timeframe and further advised to launch a special drive/campaign for this purpose.
- iv. The Central Assistance released under PMAY-U Mission should be utilized within the time frame stipulated in the respective sanction orders and registration of all ULBs on PFMS may be ensured by all State/UT Governments. This is a very important matter hence appropriate arrangements and safeguards must be built in. The EBR fund is an interest-bearing fund, and it is important that the funds so released to the States/UTs do not remain parked with SLNA/State/UT Governments but is utilized on fast pace for the purpose it has been released. Any interest earned on the parked fund will be refunded to CFI.

- v. States/UTs are advised to set a judicious limit in the PFMS in a manner that ULBs with faster progress are able to utilize funds commensurate with their performance, to enable faster completion of houses and ensure that their progress is not hampered due to lack of funds.
- vi. Under PFMS/DBT process, the funds would have to be transferred at every stage only through electronic mode for Beneficiary Led individual house Construction (BLC) under PMAY-U. The bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly. There should also be 100% Aadhaar linkages of beneficiaries in all AHP, BLC, ISSR and CLSS cases.
- vii. With regard to the vacant houses, if any, under JnNURM/RAY, the State Governments/UTs should look for realistic and pragmatic options for converting them into ARHCs.
- viii. States/UTs should use innovative, cost effective and high-quality construction technologies for constructing the housing units under PMAY-U and document the same. The tender documents should preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.
- ix. State/UT Governments are advised to ensure that:
 - a. Adequate infrastructure is provided including individual water, sanitation and electricity connections.
 - b. There should be no duplication/change in the identified beneficiaries.
 - c. Demarcation of land and mutation is carried out before implementation of the projects.
 - d. The design and construction of houses are disaster resilient, and the specifications conform to IS/ NBC norms.
- x. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY-U fraudulently. The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/ registration fee for applying for houses in PMAY-U. Thus, individual/agency /organization cannot collect any money/application fee from the beneficiary for enrolment under PMAY-U. All State/UT Governments may also issue disclaimer to this effect in their relevant websites/advertisements etc. to stop this kind of fraudulent activity.
- xi. State/UT Governments may prepare **short films, printed literature/documents** on projects undertaken under PMAY-U to showcase how lives of beneficiaries have transformed. It should be widely circulated both in print and electronic media and in various social media platforms for generating awareness. The State/UT Governments should also share with the Ministry high resolution photographs and video testimonials of beneficiaries whose houses have been completed.

- xii. A robust MIS System being critical for PMAY-U Mission, States/UTs need to constantly monitor the linking of beneficiaries to sanctioned projects in PMAY-U-MIS (<https://pmaymis.gov.in>) . All States/UTs should ensure that the Aadhaar details of beneficiaries with regards to their number and name is accurate while updating in MIS.
- xiii. All States/ UTs should use PMAY MIS and related dashboard (<https://dashboard.pmay-urban.gov.in>) to review the district wise and ULB wise progress. Similarly Mobile Inspection module (<https://dashboard.pmay-urban.gov.in/visitor>) should be used by all officers visiting any PMAY – Urban site so that inspection reports are integrated in dashboard.
- xiv. It has come to notice that data on progress of construction of houses reported in PMAY-U-MIS and those discussed in the CSMC meetings varies many a time. States/UTs must upload **online Monthly Progress Reports (MPRs)** of all sanctioned projects in PMAY-U-MIS latest by 10th of every month so that the data are reconciled before every CSMC meeting.
- xv. A PMAY-U Mobile App has already been provided by the Ministry to enable beneficiaries to upload their photos with their house and a video clip where beneficiaries share experience of owning a house under PMAY-U as testimonials. The App can be downloaded from Google Play Store. The State/UTs may inform their beneficiaries to upload the same using this Mobile App.

The meeting ended with a vote of thanks to the Chair.
