26	GENERAL OBSERVATIONS	**47**

Minutes of the 63rd meeting of Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) - Housing for All Mission held on 14th September 2022.

The 63rd meeting of Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana - Urban (PMAY-U) was held on 14th September 2022 at 5.00 p.m.in the Conference Room, Nirman Bhawan, New Delhi, under the Chairmanship of Secretary, Ministry of Housing and Urban Affairs (MoHUA) and attended by participants/representatives from the State/UT Governments, officers of the Ministry and other Departments etc. The list of participants is at **Annexure-I.**

2. The meeting began with welcome address by the Joint Secretary & Mission Director (HFA). All States/UTs (as in Annexure-I) attended the meeting for review/monitoring while the States of Andhra Pradesh, Chhattisgarh, Gujarat, Himachal Pradesh, Madhya Pradesh, Maharashtra, Rajasthan, Tamil Nadu, Tripura, Uttarakhand and Uttar Pradesh also submitted proposals for revision of projects (curtailments)/new projects.

3. Thereafter, Joint Secretary & Mission Director (HFA), MoHUA made a detailed presentation covering present status of PMAY(U). He informed that as on 31.03.2022 a total of 122.69 lakh houses were sanctioned involving Central assistance of ₹ 2.03 lakh crore. Against sanctioned houses, more than 103 lakh houses have been grounded for construction; of which around 63 lakh houses have been completed and delivered to beneficiaries. Central assistance of ₹1.21 lakh crore has been released to States/UTs/CNAs.

He further informed that the Scheme has been extended upto 31st December, 2024 to complete the houses sanctioned upto 31st March, 2022 without changing funding pattern and implementation methodology. During the extended period no additional houses will be sanctioned. However, within an overall ceiling of 122.69 lakh houses sanctioned till 31.03.2022, the houses may be sanctioned for States/UTs under BLC vertical against their proposal for curtailment of non-starter houses under BLC, AHP and ISSR verticals of PMAY-U. It was pointed out that about 18 lakh houses under different verticals are yet to be grounded which include 10.06 lakh houses sanctioned before 31.03.2020. States of Maharashtra, Uttar Pradesh, Karnataka, Haryana and Rajasthan have the maximum number of non-starter houses. It was emphasized that States/UTs need to review and all such non-starter houses which were sanctioned before 31.3.2020 and propose curtailment of houses accordingly. In case, States/UTs do not submit proposals for curtailment of non-starter house in next two months, they should provide proper justification for the same; otherwise, Ministry will curtail the remaining non-starter houses on its own.

Utilization Certificates of around ₹2,300 crore are pending from States/UTs against the Central Assistance released upto 31.03.2021 and there is unspent balance of nearly ₹6,600 crore. States of Bihar, Jharkhand, Haryana, Maharashtra, Rajasthan and UT of Jammu & Kashmir have a major part of pending UCs. States/UTs should strive to minimize the unspent balance and submit UCs of maximum amount at the earliest so that further funds can be released for early completion of houses.

States of Maharashtra, Haryana, Rajasthan, Uttarakhand, Assam, Tripura and Manipur, which have large number of houses which are yet to be grounded, need to expedite the grounding of houses. In most of the States/UTs, pace of completion of grounded houses is very slow particularly in the States of Rajasthan, Haryana, Maharashtra and Uttarakhand. Further, occupancy of completed AHP houses is another issue of concern particularly in the States of Telangana, Maharashtra, Haryana, Rajasthan and Andhra Pradesh. States/UTs need to expedite the completion of houses and allotment of completed AHP houses to the beneficiaries.

4. Thereafter, Joint Secretary & Mission Director (HFA) introduced the **agenda** for the meeting. The agenda items also form part of the minutes. The minutes recorded in alphabetical order are as follows:

(₹ in lakh)

Component	No. of Projects	No. of cities	Total No. of houses proposed	No. of EWS houses proposed	Central Assistance	State share	Beneficiary contribution	Date of Appraisal by SLAC/ approval of SLSMC
BLC (N)	87	29 ULBs & 58 UDAs	87,766	87,766	1,31,649	18,520.50	1,36,313.11	22.06.2022/ 22.06.2022

B. Additional information given by the State:

i.	Encumbrance free land is available for construction of BLC(N) houses proposed in the meeting.
ii.	Due to some remaining infrastructure work in AHP projects, the completed houses have not been fully occupied. State Government has now prepared action plan with timelines for taking care of infrastructure work so as to allot all these houses soon. About 25,000 completed houses will be handed over soon.

C. **CSMC observations:**

Progress so far:

Vertical	Approved houses	Grounded houses	Completed houses	Grounding vs Sanction %	Completion vs Sanction %	Geo-tagged %	Beneficiary Attachment %
AHP	2,68,002	2,68,002	2,16,221	100	81	86%	62%
BLC	17,39,094	15,92,992	3,07,609	92	19	88%	98%
CLSS	63,063	59,213	59,213	94	100	-	-

i	The pace of completion of projects is very slow which need to be expedited. Only 5.23 lakh houses completed out of a total sanction of 20.07 lakh. About 1.46 lakh BLC houses yet to be grounded. Concerted efforts should be put in for timely grounding and completion of sanctioned houses and subsequent allotment to the beneficiaries of PMAY-U.
ii.	State to submit ATRs on TPQMA reports to claim 2nd instalment at the earliest. Similarly, Allotment/Occupancy of AHP houses is not satisfactory. Only 24,484 houses allotted till date.
iii.	State Government should ensure that all houses in progress are geo-tagged at the earliest.
iv.	Room dimensions of the houses should be in accordance of NBC norms as it is observed that width of one of the two rooms is less than minimum requirement.
v.	During desk and site scrutiny of BLC (N) projects of 12895 houses at PuttapariSatyasai by HUDCO it was observed that suggestive model

	Plan-4 does not conform to NBC norms for two room house. Only one multi-purpose hall of 18.01 sqm is provided rather than two habitable rooms. State to ensure that all the houses under PMAY-U strictly follow the NBC norms.
vi.	State Government may share roadmap for completion of all houses sanctioned under PMAY-U. The State to share the Annual Implementation Plan of the year 2022-23 at the earliest. To meet State Share for PMAY-U projects, adequate budgetary provisions may be made.
vii.	There is unspent balance of ₹ 463 crore under PMAY-U. The State should expedite submission of the pending UCs. Utilization Certificates of ₹145.00 crore of the fund released under PMAY-U should be submitted urgently. Further, there is an excess ACA of ₹ 52.08 crore under JnNURM, which should be refunded immediately as there is audit observation in this regard.
viii.	State Government must ensure allotment of 2,757 unoccupied houses under JnNURM immediately. Further 1,535 houses under RAY are shown as "in-progress" which may be completed and allotted soon.

- Due to lack of interest from JV partner and landowner (Shirur Nagar Parishad)

The State Government vide its letter No.10810/N/2016/KSHO dated 02.03.2021 has further informed that ULBs are finding it difficult to proceed with the construction due to non-release of Central Assistance.

It has further been informed that **Kerala Real Estate Regulatory Authority** has granted exemption from registration of the PMAY-U AHP projects (being implemented in convergence with LIFE Mission project of the State) to Perinthalmanna, Alappuzha and a few other municipalities on the ground that these projects **do not involve any sale of the apartment** and therefore do not come under the definition of "**Real Estate Project**" as provided in section 2(zn) of Real Estate (Regulation & Development) Act, 2016. The State of Kerala has requested to release Central Assistance in view of the exemption granted by Kerala RERA.

B. CSMC Decision:

After deliberations, the Committee **approved** and recommended release of Central Assistance as per details hereunder:

26	**GENERAL OBSERVATIONS**

i. The PMAY-U Mission has been extended upto 31st December, 2024 to complete the houses sanctioned upto 31st March, 2022 without changing funding pattern and implementation methodology. During the extended period no additional houses will be sanctioned. However, within an overall ceiling of 122.69 lakh houses sanctioned till 31.03.2022, the houses may be sanctioned for States/UTs under BLC vertical against the curtailment of non-starter houses under BLC vertical of PMAY-U.

iii. The focus of the Mission is now on completion of all sanctioned projects with its deliverables, States/UTs need to draw an action plan for grounding and completion of all the sanctioned houses/project within stipulated timeframe and further advised to launch a special drive/campaign for this purpose.

iv. States/UTs also need to expedite submission of compliances such as UCs against earlier releases, ATR on TPQMA reports duly approved by SLSMC, status of social audit, updation of data in MIS etc. for release of **2nd and 3rd installments** of Central Assistance.

v. Regular review of progress of geo-tagging for various stages of house construction needs to be done by the States/UTs and ensure that only good quality images are uploaded which are in public domain.

vi. States/UTs should ensure that the **PMAY-U logo** is displayed in front of all housing units constructed under the Scheme. However, States/UTs should not display any such information which are in violation of Model Code of Conduct (MCC) as per instruction issued by the Election Commission of India/State Election Commissions from time to time.

vii. The Central Assistance released under PMAY-U Mission should be utilized within the time frame stipulated in the respective sanction orders Any interest earned on Central Assistance released to States/UTs will be refunded to CFI.

viii. States/UTs are advised to set a judicious limit in the PFMS in a manner that ULBs with faster progress are able to utilize funds commensurate with their performance, to enable faster completion of houses and ensure that their progress is not hampered due to lack of funds.

ix. With regard to the vacant houses, if any, under JnNURM/RAY, the State Governments/UTs should look for realistic and pragmatic options for converting them into ARHCs.

x. A robust MIS System being critical for PMAY-U Mission, States/UTs need to constantly monitor the linking of beneficiaries to sanctioned projects in PMAY-U-MIS. All States/UTs should ensure that the Aadhaar details of beneficiaries with regards to their number and name is accurate while updating in MIS.

xi. Under PFMS/DBT process, the funds would have to be transferred at every stage only through electronic mode for Beneficiary Led individual house Construction (BLC) under PMAY-U. The bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly. There should also be 100% Aadhaar linkages of beneficiaries in all AHP, BLC, ISSR and CLSS cases.

xii. It has come to notice that data on progress of construction of houses reported in PMAY-U-MIS and those discussed in the CSMC meetings varies many a time. States/UTs must upload **online Monthly Progress Reports (MPRs)** of all sanctioned projects in PMAY-U-MIS latest by 10th of every month so that the data are reconciled before every CSMC meeting.

xiii. States/UTs should use innovative, cost effective and high-quality construction technologies for constructing the housing units under PMAY-U and document the same. The tender documents should preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.

xiv. State/UT Governments are advised to ensure that:

a. Adequate infrastructure is provided including individual water, sanitation and electricity connections.

b. There should be no duplication/change in the identified beneficiaries.
c. Demarcation of land and mutation is carried out before implementation of the projects.
d. The design and construction of houses are disaster resilient, and the specifications conform to IS/ NBC norms.

xv. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY-U fraudulently. The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/ registration fee for applying for houses in PMAY-U. Thus, individual/agency /organization cannot collect any money/application fee from the beneficiary for enrolment under PMAY-U. All State/UT Governments may also issue disclaimer to this effect in their relevant websites/advertisements etc. to stop this kind of fraudulent activity.

xvi. State/UT Governments may prepare **short films, printed literature/documents** on projects undertaken under PMAY-U to showcase how lives of beneficiaries have transformed. It should be widely circulated both in print and electronic media and in various social media platforms for generating awareness. The State/UT Governments should also share with the Ministry high resolution photographs and video testimonials of beneficiaries whose houses have been completed.

xvii. A PMAY-U Mobile App has already been provided by the Ministry to enable beneficiaries to upload their photos with their house and a video clip where beneficiaries share experience of owning a house under PMAY-U as testimonials. The App can be downloaded from Google Play Store. The State/UTs may inform their beneficiaries to upload the same using this Mobile App.

The meeting ended with a vote of thanks to the Chair.
