17	GENERAL OBSERVATIONS	35

Minutes of the 66th meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) - Housing for All Mission held on 10th May 2023

The 66th meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana - Urban (PMAY-U) was held on the 10th of May 2023 at 3.00 p.m. in the Conference Room, Nirman Bhawan, New Delhi under the Chairmanship of Secretary, Ministry of Housing and Urban Affairs (MoHUA) and attended by the participants/representatives from the State/UT Governments, officers concerned of the Ministry and other Departments etc. The list of participants is at **Annexure-I**.

2. The meeting began with a welcome address by the Joint Secretary & Mission Director (HFA). States/UTs (as in Annexure-I) of Andhra Pradesh, Assam, Arunachal Pradesh, Bihar, Madhya Pradesh, Maharashtra, Rajasthan, Tamil Nadu, Uttar Pradesh and West Bengal attended the meeting for review/monitoring and also submitted proposals for revision of their projects (curtailments)/new projects.

3. Joint Secretary & Mission Director (HFA), MoHUA thereafter made a detailed presentation covering present status of PMAY-U. He informed that as on date, a total of 120.25 lakh houses have been sanctioned involving Central Assistance of ₹2.02 lakh crore. Against sanctioned houses, more than 110.20 lakh houses have been grounded for construction, of which around 73.61 lakh houses are completed and delivered to beneficiaries. Central Assistance of ₹ 1.44 lakh crore has been released to State/UT/CNAs. **It was further clarified that any spill over liability for completion of houses/ projects will have to be borne by the State/UT Governments from their own resources after completion of the extended PMAY-U Mission period i.e. 31.12.2024.**

4. He further informed that about 10.05 lakh houses under different verticals are yet to be grounded. States of Andhra Pradesh, Maharashtra, Uttar Pradesh, West Bengal, Gujarat and Rajasthan have the maximum number of non-starter houses. It was emphasized that States/UTs need to review all such non-starter houses which were sanctioned before 31.3.2021 and propose curtailment of houses accordingly. With respect to non-starter houses sanctioned under BLC, AHP and ISSR vertical, CSMC decided following:

- i) All un-grounded houses under BLC, AHP and ISSR vertical sanctioned up to 31st March 2021 shall now be treated as deemed cancelled/curtailed. States/UTs should either ground these houses or submit curtailment proposals to showcase present status of these

sanctioned houses. MoHUA will not release funds against these ungrounded houses after 30th June, 2023.

- ii) All un-grounded houses under BLC vertical, sanctioned up to March 2022, should be grounded by 31st May 2023 and report to the Ministry accordingly. If these are not grounded by 31st May 2023, no funds will be released by MoHUA unless cogent reasons of non-grounding are submitted to MoHUA.
- iii) In case of BLC and AHP projects, States of Andhra Pradesh, Chhattisgarh, Madhya Pradesh, Maharashtra, Rajasthan, West Bengal and Uttar Pradesh have maximum number of un-grounded houses as on 31st March 2023. States to expedite grounding of houses without any further delay.
- iv) **With regard to sanction of new houses against cancellation/curtailment of already sanctioned houses as on 31.3.2022, the State/UT Governments may ensure that proposals for new houses will be considered only where overall coverage of city/town respect of houses sanction is lower than state average or in newly created towns under PMAY-U.**

5. Highlighting the present status of unspent balance and pending Utilization Certificates from States/UTs against the Central Assistance released up to 31.03.2022, it was informed that States of Andhra Pradesh, Maharashtra, Chhattisgarh, Haryana, Jammu & Kashmir, Jharkhand, Karnataka, Madhya Pradesh, Punjab, Uttar Pradesh, Uttarakhand and West Bengal are having maximum unspent balance as on date. States of Andhra Pradesh, Bihar, Haryana, Jharkhand, Karnataka, Odisha, Rajasthan, Uttar Pradesh and West Bengal still have major part of pending UCs against fund released up to 31.3.2022. States/UTs should strive to minimize the unspent balance and submit UCs of maximum amount at the earliest, so that further funds can be released for early completion of houses. Further, in some cases, particularly, Assam, Mizoram, and J&K, Centre Assistance released to the States/UTs in FY 2022-23 is still lying in State/UT treasury account and is pending for release to SNA account of the respective States/UTs. The State/UT Governments of Assam, Himachal Pradesh, Jammu & Kashmir, Meghalaya and Mizoram were requested to transfer the funds to their SNA account immediately. It was further clarified that non-transfer of Central Assistance to the SNA account within 30 days of release of funds will attract an interest on the part of the State/UT Governments.

6. States of Maharashtra, Uttar Pradesh, Andhra Pradesh, Karnataka, Chhattisgarh, Gujarat, and Rajasthan, which have large number of houses which are still a non-starter, need to expedite their grounding. In most of the States/UTs, pace of completion of grounded houses is very slow particularly in the States of Bihar, Rajasthan and Maharashtra. Further, occupancy of

completed AHP houses is very low particularly in the States of Chhattisgarh, Gujarat, Tamil Nadu, Telangana, Maharashtra, Rajasthan and Andhra Pradesh. States/UTs need to expedite the completion of houses and allotment of completed AHP houses to the beneficiaries. States/UTs may expedite completion of infrastructure in these AHP projects so that houses are occupied by beneficiaries.

7. It was also observed that the progress of Geo-tagging of houses was not satisfactory. In many projects, particularly in the States of Andhra Pradesh, Assam, Bihar, Karnataka, Madhya Pradesh, Maharashtra, Uttar Pradesh and West Bengal, large number of houses geo-tagged were only up to foundation level. State Government may ensure geo-tagging at regular progress level of all sanctioned houses. **It was also reiterated that States/UTs should ensure proper display of PMAY-U Logo outside the beneficiaries' house either engraved on a stone plate or embossed to make it prominently visible. It may be noted that the beneficiary details with the logo on the stone plate should preferably be in local language.**

8. Secretary, HUA in his observation mentioned that, while releasing of fund for the sanctioned houses is not a problem, there is an urgent need to ground and complete all houses so that fund flow at regular interval is monitored and unspent balance at the State/UT Government is minimised. He further advised that non-started houses as on 31.3.2021 be cancelled as it is more than two years since their sanction and if these remain un-grounded for two years, chances are that it will remain so. It is better to get these un-started houses cancelled without further delay. Highlighting the occupancy factor in completed AHP houses, it was directed that all efforts may be put in for completion of required infrastructure so that these completed houses do not remain vacant. Long time completed but vacant houses may result in theft of sanitary/electrical items, door shutters etc. Last but not the least, unspent fund lying with the State/UT Governments should be transferred to SNA account immediately so that these are released to end user through PFMS system.

9. Thereafter, Joint Secretary & Mission Director (HFA) introduced the **agenda** for the meeting. It was informed that new BLC houses of 69,861 are proposed against curtailment/cancellation proposal of 1,26,223 houses as per Agenda. The agenda items also form part of the minutes. The minutes recorded in alphabetical order are as follows:

vi.	State to ensure that provisions regarding cement mortar for brick masonry and other earthquake resistant features in accordance with Indian Standard Code 4326 Code of Practice for earthquake resistant design and construction of building are followed in construction of houses.
vii.	The State has an unspent balance of ₹224.69 crore under the PMAY-U for which Utilization Certificates must be submitted immediately. Similarly, pending Utilization Certificates of ₹7.11 crore under the

	PMAY-U, ₹26.62 crore under the JnNURM and ₹41.34 crore under the RAY must be submitted immediately. Further, excess Central Assistance of ₹45.50 crore under the JnNURM must be refunded immediately, as there is an audit observation on the excess fund lying unutilized for so long in the State.
viii.	Few of the cities proposals submitted by the State Government have not been included in agenda. It has been noticed that large percentage of families in those cities has already taken benefit under the PMAY-U. State Government should review the reasons and resubmit proposals if needed. State should focus more on cities having less beneficiaries/population ratio than state average.

It should ensure that no eligible beneficiary is deprived of the benefit due to the proposed curtailment. It should also ensure proper documentation and record of the earlier identified beneficiaries to avoid any future dispute and resentment of the beneficiaries in the case of curtailment/surrender of the houses/projects.

C. CSMC Decision:

After detailed deliberations, the CSMC **approved** curtailment of 4,479 houses in 286 BLC (New) projects sanctioned in different CSMC meetings held previously as proposed by the State Government of **Madhya Pradesh** and directed as under:

- a. State must ensure that the DPRs where the curtailment has been proposed are revised accordingly and uploaded on the website of SLNA/Department immediately.
- b. Central Assistance released, if any, for these beneficiaries in different projects may be adjusted on subsequent releases to the State.
- c. State Government must ensure uploading of revised signed annexure (7C) and remove the curtailed beneficiaries from PMAY-U-MIS.
- d. State should ensure that no eligible and willing beneficiary is removed/curtailed.

The details of curtailed houses (CSMC-wise and project-wise) are at **Annexure V.**

The representative of Government of Maharashtra requested the Committee that 2 AHP-PPP projects at Sl. No. 1 and 11 [*475 & 200 houses] in the above table may not be curtailed as proponent are now willing to construct houses.

The Committee acceded to the request of the Government of Maharashtra with the provision that these houses will be grounded by 30 June 2023 failing which these will be deemed cancelled. The Committee expect that the State Government should forward the agenda after due diligence before submission for consideration by the CSMC.

B. CSMC Observations:

The State Government should have taken due diligence in identifying the eligible beneficiaries while formulating the proposal and seeking approval of CSMC. It should be ensured that no eligible beneficiary is deprived of the benefit due to the proposed curtailment. The State Government may ensure proper documentation and record of the earlier identified beneficiaries to avoid any future dispute and resentment of the beneficiaries in case of curtailment/cancellation of the houses/projects.

The Committee also observed that State is yet to utilise the Central Assistance released in December 2022 and submit stipulated compliances to claim subsequent funds. Large amount of unspent balance of Central

Assistance of Rs 1,006 crore is lying with the State Government of Maharashtra. State Government is requested to sort out procedural issues between Housing Department, Govt. of Maharashtra and SNA, i.e. MHADA and direct SNA to expeditiously utilise Central Assistance and submit Utilization Certificates. The Committee also observed that at the present pace of expenditure, the State Government may not be able to claim the balance Central Assistance of ₹ 6,862 crore sanctioned under the scheme and achieve the target of 'Housing for All' as the State is yet to ground 3.11 lakh houses.

C. CSMC Decision:

After detailed deliberations, the CSMC **approved** the following:

- (i) **Curtailement of 35,337 houses in 450 BLC (New) Projects,**
 - (ii) **Curtailement of 2,178 houses in 4 AHP Projects,**
 - (iii) **Curtailement of 13,808 houses in 6 AHP projects,**

15	Proposal for curtailment of 3,941 houses in 34 BLC projects approved in various CSMC Meetings in the State of West Bengal (Agenda 10)
----	--

A. Basic Information:

The Committee was informed that State Government of West Bengal has proposed for curtailment of 3,941 houses in 34 BLC projects approved in various CSMC meetings. The reasons cited for surrender/curtailment of houses are due to land issue and unwillingness of beneficiaries to construct dwelling units. The SLSMC in its meeting held on 14.2.2023 has approved the curtailment of 3,941 houses. CSMC-wise details of curtailment are given hereunder:

B. CSMC Observations:

The State Government should have taken due diligence in identifying the eligible beneficiaries while formulating the proposal and seeking approval of CSMC. It should be ensured that no eligible beneficiaries are deprived of the benefit due to the proposed curtailment. The State Government may ensure proper documentation and record of the earlier identified beneficiaries to avoid any future dispute and resentment of the beneficiaries in case of curtailment/cancellation of the houses/projects.

C. CSMC Decision:

After detailed deliberations, the CSMC **approved** curtailment of 3,941 houses in 34 BLC projects sanctioned in different CSMC meetings as proposed by the State Government of **West Bengal** and directed as under:

- State must ensure that the DPRs where the curtailment has been proposed are revised accordingly and uploaded on the website of SLNA/Department immediately.
- Central Assistance released, if any, for these beneficiaries in different projects may be adjusted in subsequent releases to the State.
- State Govt. must ensure uploading of revised signed annexure (7C) and remove the curtailed beneficiaries from PMAY-U-MIS.
- State should ensure that no eligible and willing beneficiary is removed/curtailed.

The details of curtailed houses (CSMC-wise and project-wise) are at **Annexure –X.**

17	GENERAL OBSERVATIONS
i.	The PMAY-U Mission has been extended up to 31 st December, 2024 to complete the houses sanctioned up to 31 st March, 2022 without changing funding pattern and implementation methodology. During the extended period no additional houses will be sanctioned. However, within an overall ceiling of 122.69 lakh houses sanctioned till 31.03.2022, the houses may be sanctioned for States/UTs under BLC vertical against the curtailment of non-starter houses under AHP/BLC/ISSR vertical of PMAY-U.
iii.	The focus of the Mission is now on completion of all sanctioned projects with its deliverables. States/UTs need to draw an action plan for grounding and completion of all the sanctioned houses/project within

- stipulated timeframe and further advised to launch a special drive/campaign for this purpose.
- iv. States/UTs also need to expedite submission of compliances such as UCs against earlier releases, ATR on TPQMA reports duly approved by SLSMC, status of social audit, updation of data in MIS etc. for release of **2nd and 3rd instalments** of Central Assistance.
 - v. Regular review of progress of geo-tagging for various stages of house construction needs to be done by the States/UTs and ensure that only good quality images are uploaded which are in public domain.
 - vi. States/UTs should ensure that the **PMAY-U logo** is displayed in front of all housing units constructed under the Scheme. It may be noted that the beneficiary details with the logo on the stone plate should preferably be in local language. States/UTs should not display any such information which is in violation of Model Code of Conduct (MCC) as per instruction issued by the Election Commission of India/State Election Commissions from time to time.
 - vii. The Central Assistance released under PMAY-U Mission should be utilized within the time frame stipulated in the respective sanction orders any interest earned on Central Assistance released to States/UTs will be refunded to CFI.
 - viii. States/UTs are advised to set a judicious limit in the PFMS in a manner that ULBs with faster progress are able to utilize funds commensurate with their performance, to enable faster completion of houses and ensure that their progress is not hampered due to lack of funds.
 - ix. With regard to the vacant houses, if any, under JnNURM/RAY, the State Governments/UTs should look for realistic and pragmatic options for converting them into ARHCs.
 - x. A robust MIS System being critical for PMAY-U Mission, States/UTs need to constantly monitor the linking of beneficiaries to sanctioned projects in PMAY-U-MIS. All States/UTs should ensure that the Aadhaar details of beneficiaries with regards to their number and name is accurate while updating in MIS.
 - xi. Under PFMS/DBT process, the funds would have to be transferred at every stage only through electronic mode for Beneficiary Led individual house Construction (BLC) under PMAY-U. The bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly. There should also be 100% Aadhaar linkages of beneficiaries in all AHP, BLC, ISSR and CLSS cases.
 - xii. It has come to notice that data on progress of construction of houses reported in PMAY-U-MIS and those discussed in the CSMC meetings varies many a time. States/UTs must upload **online Monthly Progress Reports (MPRs)** of all sanctioned projects in PMAY-U-MIS latest by

10th of every month so that the data are reconciled before every CSMC meeting.

- xiii. States/UTs should use innovative, cost effective and high-quality construction technologies for constructing the housing units under PMAY-U and document the same. The tender documents should preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.
- xiv. State/UT Governments are advised to ensure that:
 - a. Adequate infrastructure is provided including individual water, sanitation and electricity connections.
 - b. There should be no duplication/change in the identified beneficiaries.
 - c. Demarcation of land and mutation is carried out before implementation of the projects.
 - d. The design and construction of houses are disaster resilient, and the specifications conform to IS/ NBC norms.
- xv. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY-U fraudulently. The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/ registration fee for applying for houses in PMAY-U. Thus, individual/agency /organization cannot collect any money/application fee from the beneficiary for enrolment under PMAY-U. All State/UT Governments may also issue disclaimer to this effect in their relevant websites/advertisements etc. to stop this kind of fraudulent activity.
- xvi. State/UT Governments may prepare **short films, printed literature/documents** on projects undertaken under PMAY-U to showcase how lives of beneficiaries have transformed. It should be widely circulated both in print and electronic media and in various social media platforms for generating awareness. The State/UT Governments should also share with the Ministry high resolution photographs and video testimonials of beneficiaries whose houses have been completed.
- xvii. A PMAY-U Mobile App has already been provided by the Ministry to enable beneficiaries to upload their photos with their house and a video clip where beneficiaries share experience of owning a house under PMAY-U as testimonials. The App can be downloaded from Google Play Store. The State/UTs may inform their beneficiaries to upload the same using this Mobile App.

The meeting ended with a vote of thanks to the Chair.
