24	GENERAL OBSERVATIONS	46

Minutes of the 67th meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) - Housing for All Mission held on 26th June 2023

The 67th meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana - Urban (PMAY-U) was held on the 26th of June 2023 at 2.00 p.m. in the Conference Room, Nirman Bhawan, New Delhi under the Chairmanship of Secretary, Ministry of Housing and Urban Affairs (MoHUA). The meeting was attended by the participants/representatives from various State/UT Governments, officers concerned of the Ministry and other Departments etc. The list of participants is at **Annexure-I.**

2. The meeting began with a welcome address by the Joint Secretary & Mission Director (HFA), MoHUA. States/UTs (as in Annexure-I) of Andhra Pradesh, Chhattisgarh, Karnataka, Odisha, Puducherry, Tripura, Telangana, Madhya Pradesh, Tamil Nadu, Uttar Pradesh and West Bengal attended the meeting physically for review and also submitted proposals for revision/curtailment of their projects/new projects.

3. The Joint Secretary & Mission Director (HFA), informed that the PMAY-U Mission has successfully completed 8 years of implementation, significantly impacting the lives of numerous individuals, especially women in the country. By providing them access to dignified living conditions and creating new avenues for livelihood, the Mission has brought about positive transformations. To celebrate this milestone, the PMAY-U Mission has prepared a compendium titled **"Voice of Women Entrepreneurs."** The compendium features empowering stories of entrepreneurial journey of 25 women beneficiaries of PMAY-U., Thereafter, Secretary, MoHUA formally launched the compendium "Voice of Women Entrepreneurs". On this occasion, a **short film** on achievement of PMAY-U was also shown. The film covered various aspects of transformation of living conditions of urban poor through implementation of PMAY-U Mission.

4. Thereafter, **Beneficiary Awards 2023 under PMAY-U**, was also launched during the CSMC meeting. These awards will focus on recognizing the proactive participation of beneficiaries from across the country and appreciate the commendable work done by States/UTs, ULBs, and Implementing Agencies under all four verticals of the Scheme. MoHUA shall announce/declare the awardees, both beneficiaries under each category on 01 January 2024. The details of the Beneficiary Awards 2023 have been documented in the Standard Operating Procedure (SOP) and will be available

on the website of the PMAY-U Mission (https://pmay-urban.gov.in) for all stake holders.

5. Subsequently, Joint Secretary & Mission Director (HFA), made a detailed presentation covering present status of PMAY-U. It was informed that as on date, a total of 119.69 lakh houses have been sanctioned involving Central Assistance of ₹2.02 lakh crore. Against sanctioned houses, more than 112.03 lakh houses have been grounded for construction, of which around 75.10 lakh houses are completed/ delivered to eligible beneficiaries. Central Assistance of ₹1.46 lakh crore has been released to States/UTs/CNAs.

6. It was further informed that about 7.66 lakh houses under different verticals are yet to be grounded. States of Andhra Pradesh, Gujarat, Karnataka, Maharashtra, Rajasthan, Odisha, Tamil Nadu, Uttar Pradesh and West Bengal, have the maximum number of non-starter houses. It has been brought to attention that the extended Mission period will end on 31 December 2024, and it is imperative that all sanctioned houses are completed well in advance of the conclusion of the PMAY-U Mission. It was reiterated that any **spill over liability for completion of houses/projects will have to be borne by the State/UT Governments from their own resources** after completion of the extended PMAY-U Mission period i.e. 31.12.2024. With respect to non-starter houses sanctioned under BLC, AHP and ISSR verticals, CSMC decided following:

i. States/UTs should either ground these houses or submit curtailment proposals to showcase present status of these sanctioned houses. MoHUA will not release funds against these ungrounded houses after 30th June 2023.

ii. As the deadline for the extended Mission period approaching, it is essential that all houses sanctioned under BLC vertical before 31.03.2022, but not grounded shall be completed well in time. A report detailing the progress should be promptly submitted to the MoHUA as well. It is important to note that MoHUA will withhold the release of funds unless valid justifications for the delay in grounding of these houses (sanctioned before 31.03.2022) are provided. The remaining 18 months are crucial for the successful completion of the Mission, and timely action is necessary to ensure its success by all State/UT Governments/Implementing Agencies etc.

iii. In case of BLC and AHP projects, States of Andhra Pradesh, Chhattisgarh, Madhya Pradesh, Maharashtra, Rajasthan, West Bengal and Uttar Pradesh have maximum number of un-grounded houses as

on 31st March 2023. States to expedite grounding of houses without any further delay.

iv. With regard to sanction of new houses against cancellation/curtailment of already sanctioned houses as on 31.03.2022, the State/UT Governments may ensure that proposals for new houses in a city/town will be considered only either in newly created towns under PMAY-U or cities where overall coverage (in terms of percentage of houses sanctioned out of urban households in the city) is lower than the corresponding State average.

v. A specific agenda for projects under Rajiv Awas Yojana (RAY) has been placed in 67th CSMC meeting to address the suo-motto cancellation of projects/houses that were sanctioned as part of the discontinued RAY scheme dating back till 2015. In this regard, a request has been made to the State Governments of Telangana and Andhra Pradesh, specifically asking them to refund or adjust the Central Assistance that were released for the cancelled/ongoing RAY projects in the former unified State of Andhra Pradesh. The respective State Governments (Telangana and Andhra Pradesh) were requested to inform the HFA Directorate at MoHUA about the availability of these funds under RAY projects so that they can be appropriately adjusted under the PMAY-U scheme. In case of other States/UT wherein projects/houses have been cancelled under RAY scheme, the Central Assistance will have to be refunded with interest as per provision of GFRs/adjusted against ongoing projects of PMAYU.

7. Highlighting the present status of unspent balance and pending Utilization Certificates from States/UTs against the Central Assistance released up to 31.03.2022, it was informed that States of Andhra Pradesh, Bihar, Maharashtra, Chhattisgarh, Haryana, Jharkhand, Karnataka, Madhya Pradesh, Punjab, Rajasthan, Uttar Pradesh, Uttarakhand, West Bengal and UT of Jammu & Kashmir are having maximum unspent balance as on date. States of Andhra Pradesh, Bihar, Haryana, Jharkhand, Karnataka, Odisha, Rajasthan, Telangana, Uttar Pradesh and West Bengal still have major part of pending UCs against fund released up to 31.03.2022. Ideally, the withdrawal of Central Assistance from the State Treasury to SLNA should not exceed 15 days, and the subsequent transfer of funds to the beneficiaries should be completed within 7 days through the Direct Benefit Transfer (DBT) mode. Any delay in this process significantly hampers the timely execution of house construction, particularly in the case of the Beneficiary-Led Construction (BLC) vertical. Thus, States/UTs should strive to minimize the unspent balance and submit UCs of maximum amount at the earliest so that further funds can be released for early completion of houses. MoHUA has prepared

tentative fund requirement plan of each State/UT for PMAY-U for FY 2023-24, which will be considered for release depending upon how best unspent balance is minimized in the SNA account by the respective State/UT Governments. Further, in some cases, Central Assistance released to the States/UTs in FY 2023-24 is still lying in State/UT treasury account and is pending for release to SNA account of the respective States/UTs. The State/UT Governments were requested to transfer the funds to their SNA account immediately. It was further clarified that non-transfer of Central Assistance in the SNA account within 30 days of release of funds will attract an interest on the part of the State/UT Governments.

8. States of Maharashtra, Uttar Pradesh, Andhra Pradesh, Karnataka, Chhattisgarh, Gujarat, West Bengal and Rajasthan, which have large number of houses which are still non-starter, need to expedite their grounding. In most of the States/UTs, pace of completion of grounded houses is very slow particularly in the States of Bihar, Rajasthan and Maharashtra. Further, occupancy of completed AHP houses is very low particularly in the States of Chhattisgarh, Gujarat, Tamil Nadu, Telangana, Maharashtra, Rajasthan and Andhra Pradesh. States/UTs need to expedite the completion of houses and allotment of completed AHP houses to the beneficiaries. States/UTs may expedite completion of infrastructure work in these AHP projects so that houses are occupied by the beneficiaries. Additionally, it is recommended that State/UT Governments prioritize for allotment of houses to the beneficiaries under the AHP vertical during the early stages of construction, rather than waiting until the project is completed. This proactive approach will help mitigate issues related to allotment and occupancy that implementing agencies often encounter during later stages. By streamlining the allotment process from the outset, the implementation of housing projects can be made more efficient and seamless for all stakeholders involved. The experiences of Gujarat and Tamil Nadu where 2/3 flats are reserved for providing medical facilities etc. for the residents is also a welcome step for improving occupancy in completed AHP projects.

9. It was also observed that the progress of Geo-tagging of houses is not satisfactory. In many projects, particularly in the States of Andhra Pradesh, Gujarat, Assam, Bihar, Karnataka, Madhya Pradesh, Maharashtra, Rajasthan, Uttar Pradesh and West Bengal, large number of houses geo-tagged were only up to foundation level. A campaign for one round of mandatory geo-tagging of all sanctioned houses may be started at the level of Implementing Agencies so that the construction stages of houses which have been geo-tagged should take place in time-bound manner and updated in the system. It was also reiterated that States/UTs should ensure proper display

of PMAY-U Logo outside the beneficiaries' house either engraved on a stone plate or embossed to make it prominently visible. It may be noted that the beneficiary details with the logo on the stone plate should preferably be in local language.

10. Thereafter, Joint Secretary & Mission Director (HFA) introduced the **agenda** for the meeting. It was informed that new BLC houses of 1,29,063 are proposed against curtailment/cancellation proposal of 1,78,199 houses as per Agenda. The agenda items also form part of the minutes. The minutes recorded in alphabetical order are as follows:

1	**Confirmation of the minutes of the 66th meeting of CSMC under PMAY-U held on 10.5.2023 (Agenda 1)**

Minutes of the **66th meeting of CSMC under PMAY-U** held on 10.5.2023 were confirmed.

2	**Proposal for curtailment of 46,928 houses in 148 BLC projects approved in various CSMC Meetings submitted by State of Andhra Pradesh (Agenda 2)**

The Committee was informed that APTIDCO vide its letter dated 2.5.2023 has submitted a proposal for curtailment of 46,928 houses in 148 BLC projects. The SLSMC in its 31st meeting has approved curtailment of houses in BLC projects. The major reasons for curtailment, as submitted by State Government of Andhra Pradesh are:

- Layouts located far away from the ULB/GP
- Beneficiaries migrated
- Not willing to dismantle the existing house
- Member of the household already covered in previous State Government schemes.

The details of curtailment of houses are as under:

Sr. No.	CSMC No. & Date	No. of houses originally approved	No. of houses proposed for curtailment (No. of Projects)	Revised no. of houses after curtailment

B. CSMC Observations:

The State Government should have taken due diligence in identifying the eligible beneficiaries while formulating the proposal and seeking approval of CSMC. It should be ensured that no eligible beneficiary is deprived of the benefit due to the proposed curtailment. The State government may ensure proper documentation and record of the earlier identified beneficiaries to avoid any future dispute and resentment of the beneficiaries in case of curtailment/cancellation of the houses/projects.

C. CSMC Decision:

After detailed deliberations, the CSMC **approved** curtailment of 46,928 houses in 148 BLC projects approved in various CSMC Meetings as proposed by the State Government of **Andhra Pradesh** and directed as under:

a. State must ensure that the DPRs where the curtailment has been proposed are revised accordingly and uploaded in the website of SLNA/Department immediately.
b. Central Assistance released, if any, for these beneficiaries in different projects may be adjusted in subsequent releases to the State.
c. State Govt. must ensure uploading of revised signed annexure (7C) and remove the curtailed beneficiaries from PMAY-U-MIS.
d. State should ensure that no eligible and willing beneficiary is removed/curtailed.

The details are at **Annexure II-A.**

B. CSMC Observations:

The State Government should have taken due diligence in identifying the eligible beneficiaries while formulating the proposal and seeking approval of CSMC. It should be ensured that no eligible beneficiaries are deprived of the benefit due to the proposed curtailment. The State Government may ensure proper documentation and record of the earlier identified beneficiaries to avoid any future dispute and resentment of the beneficiaries in case of curtailment/cancellation of the houses/projects.

C. CSMC Decision:

After detailed deliberations, the CSMC **approved c**urtailment of 4,270 houses in 28 BLC projects sanctioned in different CSMC meetings as proposed by the State Government of **West Bengal** and directed as under:

a. State must ensure that the DPRs where the curtailment has been proposed are revised accordingly and uploaded on the website of SLNA/Department immediately.
b. Central Assistance released, if any, for these beneficiaries in different projects may be adjusted in subsequent releases to the State.
c. State Government must ensure uploading of revised signed annexure (7C) and remove the curtailed beneficiaries from PMAY-U-MIS.
d. State should ensure that no eligible and willing beneficiary is removed/curtailed.

The details of curtailed houses (CSMC-wise and project-wise) are at **Annexure – XIII.**

22	**Proposal for curtailment of non-starter houses/projects under Rajiv Awas Yojana (RAY) scheme subsumed under PMAY-U (Agenda 22)**

A. Basic Information:

The Committee was informed that Rajiv Awas Yojana (RAY) was implemented in a mission mode to provide financial support to States/UTs/Urban Local Bodies (ULBs)/Central Government Agencies for providing housing and improvement of basic civic infrastructure and social amenities in slums. The scheme was applicable to all slums within a city, whether notified or non-notified (including identified and recognized), whether on lands belonging to Central Government or its Undertakings, Autonomous Bodies created under the Act of Parliament, State Governments or its Undertakings, ULBs or any other public agency and private sector. It was also applicable to "urbanized villages" inside the planning area of the city, urban homeless and pavement dwellers. Rental and transit housing was also admissible under the scheme. Operation and Maintenance (O&M) of assets created under this scheme was also eligible for funding. RAY was also to extend financial support to States/UTs for creation of affordable housing stock through public-private partnership (PPP) under the Affordable Housing in Partnership (AHP) component of the scheme.

RAY scheme was discontinued and all 183 the then ongoing projects involving project cost of ₹7,754 crore including Additional Central Assistance (ACA) of ₹ 3,626 crore for construction of 1,41,848 houses were subsumed under

Pradhan Mantri Awas Yojana - Urban (PMAY-U) vide O.M.No. I-11016/5/ 2013-RAY-I (Vol.II)FTS-12554 dated 19th May 2015. Further, Ministry of Finance had also reduced commitment of Additional Central Assistance to 60% from earlier 75% vide D.O. No. 32/PSO/PS/2015 dated 28th October 2015.

So far, 1,10,265 houses have been grounded for construction, of which 99,488 houses are now complete. Against approved commitment ACA of ₹ 3,605.96 crore, ₹2,546.21 crore has been released to States/UTs. The present ACA balance under the scheme is ₹951.68 crore and recovery of excess ACA is ₹137.93 crore.

Proposal for curtailment:

Presently under the scheme, there are 30,869 houses involving ACA liability of ₹853.90 crore which are yet to be grounded by States/UTs. A detailed exercise has been carried out to evaluate the liability of ACA on account of curtailment of non-starter 30,869 houses. It is proposed that these houses may be considered for curtailment by CSMC suo moto. This would reduce committed ACA by ₹853.90 crore and final ACA liability in these State/UTs would be ₹263.11 crore. Further, excess released ACA of ₹ 61.29 crore would be available for adjustment in subsequent release for PMAY-U projects.

B. CSMC Observations:

The Committee took note of the proposal and opined that there has been inordinate delay in construction of RAY projects. There is still large number of not started houses in spite of lapse of more than 7 years since the scheme was subsumed in PMAY-U.

C. CSMC Decision:

After detailed discussions, the Committee **approved** curtailment of 30,869 non-starter houses sanctioned prior to May 2015 pertaining to subsumed scheme of **Rajiv Awas Yojana (RAY)** and directed that adjustment of resultant ACA savings of **₹61.29 crore** against subsequent instalments for ongoing projects in the States under PMAY-U.

State-wise details of liability and net effect are given at **Annexure XIV.**

24	**GENERAL OBSERVATIONS**

i. The PMAY-U Mission has been extended up to 31st December, 2024 to complete the houses sanctioned up to 31st March, 2022 without

changing funding pattern and implementation methodology. During the extended period no additional houses will be sanctioned. However, within an overall ceiling of 122.69 lakh houses sanctioned till 31.03.2022, the houses may be sanctioned for States/UTs under BLC vertical against the curtailment of non-starter houses under AHP/BLC/ISSR vertical of PMAY-U.

iii. The focus of the Mission is now on completion of all sanctioned projects with its deliverables, States/UTs need to draw an action plan for grounding and completion of all the sanctioned houses/project within stipulated timeframe and further advised to launch a special drive/campaign for this purpose.

iv. States/UTs also need to expedite submission of compliances such as UCs against earlier releases, ATR on TPQMA reports duly approved by SLSMC, status of social audit, updation of data in MIS etc. for release of **2nd and 3rd instalments** of Central Assistance.

v. Regular review of progress of geo-tagging for various stages of house construction needs to be done by the States/UTs and ensure that only good quality images are uploaded which are in public domain.

vi. States/UTs should ensure that the **PMAY-U logo** is displayed in front of all housing units constructed under the Scheme. It may be noted that the beneficiary details with the logo on the stone plate should preferably be in local language. States/UTs should not display any such information which is in violation of Model Code of Conduct (MCC) as per instruction issued by the Election Commission of India/State Election Commissions from time to time.

vii. The Central Assistance released under PMAY-U Mission should be utilized within the time frame stipulated in the respective sanction orders any interest earned on Central Assistance released to States/UTs will be refunded to CFI.

viii. States/UTs are advised to set a judicious limit in the PFMS in a manner that ULBs with faster progress are able to utilize funds commensurate with their performance, to enable faster completion of houses and ensure that their progress is not hampered due to lack of funds.

ix. With regard to the vacant houses, if any, under JnNURM/RAY, the State Governments/UTs should look for realistic and pragmatic options for converting them into ARHCs.

x. A robust MIS System being critical for PMAY-U Mission, States/UTs need to constantly monitor the linking of beneficiaries to sanctioned projects in PMAY-U-MIS. All States/UTs should ensure that the Aadhaar details of beneficiaries with regards to their number and name is accurate while updating in MIS.

xi. Under PFMS/DBT process, the funds would have to be transferred at every stage only through electronic mode for Beneficiary Led individual house Construction (BLC) under PMAY-U. The bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly. There should also be 100% Aadhaar linkages of beneficiaries in all AHP, BLC, ISSR and CLSS cases.

xii. It has come to notice that data on progress of construction of houses reported in PMAY-U-MIS and those discussed in the CSMC meetings varies many a time. States/UTs must upload **online Monthly Progress Reports (MPRs)** of all sanctioned projects in PMAY-U-MIS latest by 10th of every month so that the data are reconciled before every CSMC meeting.

xiii. States/UTs should use innovative, cost effective and high-quality construction technologies for constructing the housing units under PMAY-U and document the same. The tender documents should preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.

xiv. State/UT Governments are advised to ensure that:

a. Adequate infrastructure is provided including individual water, sanitation and electricity connections.
b. There should be no duplication/change in the identified beneficiaries.
c. Demarcation of land and mutation is carried out before implementation of the projects.
d. The design and construction of houses are disaster resilient, and the specifications conform to IS/ NBC norms.

xv. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY-U fraudulently. The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/ registration fee for applying for houses in PMAY-U. Thus, individual/agency /organization cannot collect any money/application fee from the beneficiary for enrolment under PMAY-U. All State/UT Governments may also issue disclaimer to this effect in their relevant websites/advertisements etc. to stop this kind of fraudulent activity.

xvi. State/UT Governments may prepare **short films, printed literature/documents** on projects undertaken under PMAY-U to showcase how lives of beneficiaries have transformed. It should be widely circulated both in print and electronic media and in various social media platforms for generating awareness. The State/UT Governments should also share with the Ministry high resolution

photographs and video testimonials of beneficiaries whose houses have been completed.

xvii. A PMAY-U Mobile App has already been provided by the Ministry to enable beneficiaries to upload their photos with their house and a video clip where beneficiaries share experience of owning a house under PMAY-U as testimonials. The App can be downloaded from Google Play Store. The State/UTs may inform their beneficiaries to upload the same using this Mobile App.

The meeting ended with a vote of thanks to the Chair.
