Minutes of the 69th meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) - Housing for All Mission held on 4th March 2024

The 69th meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana - Urban (PMAY-U) was held on 4th of March 2024 at 4.30 p.m. in the Conference Room, Nirman Bhawan, New Delhi under the Chairmanship of Secretary, Ministry of Housing and Urban Affairs (MoHUA). The meeting was attended by the participants/representatives from various State/UT Governments, officers concerned of the Ministry and other Departments etc. The list of participants is at **Annexure-I**.

2. The meeting began with a welcome address by the Joint Secretary & Mission Director (HFA), MoHUA. States/UTs (as in Annexure-I) of Andhra Pradesh, Bihar, Dadar Nagar Haveli & Daman & Diu (DNH & DD), Kerala, Maharashtra, Puducherry, Rajasthan, Sikkim, Tamil Nadu, Tripura, Uttar Pradesh, and Uttarakhand attended the meeting (physically/online mode) for review and also submitted proposals for revision/curtailment of their projects/new projects.

3. Subsequently, Joint Secretary & Mission Director (HFA), made a detailed presentation covering present status of PMAY-U. It was informed that as on date, a total of 118.63 lakh houses have been sanctioned involving Central Assistance of about ₹ 2.0 lakh crore. Against sanctioned houses, more than 114.10 lakh houses have been grounded for construction, of which 81.02 lakh houses are completed/delivered to eligible beneficiaries. Central Assistance of ₹1.56 lakh crore has been released to States/UTs/CNAs.

4. It was further informed that more than large number of houses under different verticals are yet to be grounded. The States of Maharashtra, Uttar Pradesh and Andhra Pradesh have the maximum number of non-starter houses. Other States having large number of ungrounded houses which include Assam, Bihar, Chhattisgarh, Gujarat, Haryana, Karnataka, Kerala, Rajasthan, Odisha and Tamil Nadu are requested to expedite their grounding.

It was reiterated that the extended Mission period will end on 31 December 2024, and it is imperative that all sanctioned houses are completed well in advance of the conclusion of the PMAY-U Mission. **It was reiterated that any spill over liability for completion of houses/projects will have to be borne by the State/UT Governments from their own resources after completion of the extended PMAY-U Mission period i.e. 31.12.2024.** With respect to non-starter houses sanctioned CSMC decided the following:

- i. States/UTs should either ground houses under BLC or submit curtailment proposals and showcase present status of these sanctioned houses immediately. MoHUA will not release funds against these ungrounded houses.
- ii. As the deadline for the extended Mission period is approaching, it is essential that all houses sanctioned under BLC vertical before 31.03.2022, but not grounded are completed well in time. A report detailing the progress should be duly submitted to the MoHUA on regular basis. It is important to note that MoHUA may withhold the release of funds unless valid justifications for the delay in grounding of these houses (sanctioned before 31.03.2022) are provided. The remaining 10 months are crucial for the successful completion of the Mission, and timely action is necessary to ensure its success by all State/UT Governments/Implementing Agencies etc.
- iii. The proposal for curtailment of ungrounded houses sanctioned under AHP verticals should be forwarded by the States/UTs as these houses are unlikely to be completed within the extended duration of the Mission.

5. Highlighting the present status of unspent balance and pending Utilization Certificates from States/UTs against the Central Assistance released up to 31.03.2022, it was informed that States of Andhra Pradesh, Chhattisgarh, Gujarat, Haryana, Karnataka, Madhya Pradesh, Maharashtra, Uttar Pradesh and West Bengal are having maximum unspent balance as on date. Further, State/UT Governments of Andhra Pradesh, Haryana, Kerala and Maharashtra have not fully transferred the released Central Assistance to SNA account. The State/UT Governments were requested to transfer the funds to their respective SNA account immediately. **It was further clarified that non-transfer of Central Assistance in the SNA account within 30 days of release of funds will attract a penal interest @7% on the part of the State/UT Governments.** Any delay in this process significantly hampers the timely execution of house construction, particularly in the case of the Beneficiary-Led Construction (BLC) vertical.

6. The States/UTs should strive to minimize the unspent balance and submit UCs of maximum amount at the earliest so that further funds could be released for early completion of houses. It was also pointed out that legacy data entry in PFMS may be looked into and reported to HFA Directorate immediately.

7. The occupancy of completed AHP houses is very low particularly in the States of Andhra Pradesh, Chhattisgarh, Gujarat, Jharkhand, Karnataka, Madhya Pradesh, Telangana Maharashtra and Uttar Pradesh. States/UTs need to expedite the completion of houses, infrastructure work and allotment of completed AHP houses to the beneficiaries.

8. It was also observed that the progress of Geo-tagging of houses is not satisfactory in some states. In many projects, particularly in the States/UT of Haryana, Karnataka, Kerala, Maharashtra, Punjab, Rajasthan, Odisha, Uttarakhand and West Bengal, large number of geo-tagged houses were only up to the foundation level. A regular campaign for mandatory geo-tagging of all sanctioned houses may be started at the level of Implementing Agencies so that the construction stages of houses which have been geo-tagged should take place in time-bound manner and updated in the system.

9. The State/UTs to fill the of beneficiary-wise/instalment-wise details of payment released to the beneficiaries in MIS. Further, the State/UTs should also upload the allotment letters issued to the beneficiaries for occupancy of completed AHP houses. The State may ensure the completion of Category and Gender Modification in MIS well in time.

10. For effective monitoring of the scheme a new module in MIS is developed wherein State/UTs may submit projects which have 100% beneficiary attachment Geo-tagging and completion for project closure by using the "Project Closure" module in MIS.

11. As we are approaching towards closure of the Mission, States/UTs are advised to expedite to claim of 3rd instalment for all the houses by submitting all the required compliance and ensure the project closure in MIS.

12. Thereafter, Joint Secretary & Mission Director (HFA) introduced the **agenda** for the meeting. It was informed that new BLC houses of 1,20,017 are proposed against curtailment/cancellation proposal of 1,19,549 houses as per Agenda. The agenda items also form part of the minutes. The minutes recorded in alphabetical order are as follows:

Reasons for curtailment of houses:

1. Curtailment of Non-Starter Houses (BLC Projects)

Some beneficiaries have not grounded their house and some beneficiaries have requested through notarized affidavit for cancellation. Further, some beneficiaries' land has been acquired in road widening due to which it cannot be constructed further than foundation level and some beneficiaries' land is under ownership dispute.

2. Curtailment of Not Started Houses (AHP Project)

The beneficiaries under this AHP project have not deposited their beneficiary share at all, they have availed benefits under Credit Linked Subsidy Scheme (CLSS) vertical, have bought their house or have received a pucca house through legal heirship from their family and have requested in writing for their cancellation from the scheme stating personal reasons or migration reasons.

B. CSMC Observations:

The State Government should have taken due diligence in identifying the eligible beneficiaries while formulating the proposal and seeking approval of CSMC. It should be ensured that no eligible beneficiary is deprived of the benefit due to the proposed curtailment/surrender. The State Government may ensure proper documentation and record of the earlier identified beneficiaries to avoid any future dispute and resentment of the beneficiaries in case of curtailment/surrender of the houses/projects.

C. CSMC Decision:

After detailed deliberations, the CSMC **approved** curtailment of 326 houses in 6 BLC (New) projects, and 195 houses in 1 AHP projectsanctioned in different CSMC meetings as proposed by the **UT of Dadra & Nagar Haveli and Daman & Diu** directed as under:

- a. UT must ensure that the DPRs where the curtailment has been proposed are revised accordingly and uploaded on the website of SLNA/Department immediately.
- b. Central Assistance released, if any, for these beneficiaries in different projects may be adjusted in subsequent releases to the UT.
- c. UT Government must ensure uploading of revised signed annexure (7B&, 7C) and remove the curtailed beneficiaries from PMAY-U-MIS.
- d. UT should ensure that no eligible and willing beneficiary is removed/curtailed.

The details of curtailed houses (CSMC-wise and project-wise) are at **Annexure IV (A & B)**.

The reasons for curtailment of projects/houses under BLC (New) and BLC (Enhancement) vertical given by the State are as under:

- Unwillingness/non-availability/inadequate no. of beneficiaries
- Beneficiaries having no land
- Migration/untraceable of beneficiaries
- Death of beneficiaries
- Beneficiaries not eligible (Out of ULB limit/already having pucca house) as per PMAY-U guidelines
- Eligible for other verticals

B. CSMC Observations:

The State Government should have taken due diligence in identifying the eligible beneficiaries while formulating the proposal and seeking approval of CSMC. It should be ensured that no eligible beneficiaries are deprived of the benefit due to the proposed curtailment. The State Government may ensure proper documentation and record of the earlier identified beneficiaries to avoid any future dispute and resentment of the beneficiaries in case of curtailment/cancellation of the houses/projects.

C. CSMC Decision:

After detailed deliberations, the CSMC **approved** curtailment of 8,814 houses in 481 BLC (New) projects and 302 houses in 89 BLC (Enh.) projects approved in various CSMC meetings as proposed by the State Government of **Uttar Pradesh** and directed as under:

- State must ensure that the DPRs where the curtailment has been proposed are revised accordingly and uploaded on the website of SLNA/Department immediately.
- Central Assistance released, if any for these beneficiaries in different projects may be adjusted in subsequent releases to the State.

- c. State Government must ensure uploading of revised signed annexure (7C & 7D) and remove the curtailed beneficiaries from PMAY(U)-MIS.
- d. State should ensure that no eligible and willing beneficiary is removed/curtailed.

The details of curtailed houses (CSMC-wise and project-wise) are at **Annexure XIII-(A & B).**

23 GENERAL OBSERVATIONS

- The focus of the Mission is now on completion of all sanctioned projects with its deliverables, States/UTs need to draw an action plan for grounding and completion of all sanctioned houses/project within stipulated timeframe of 31st December, 2024 and further advised to launch a special drive/campaign for this purpose.

- ii. States/UTs also need to expedite submission of compliances such as UCs against earlier releases, ATR on TPQMA reports duly approved by SLSMC, status of social audit, updation of data in MIS etc. for release of **2nd and 3rd instalments** of Central Assistance.
- iii. Regular review of progress of geo-tagging for various stages of house construction needs to be done by the States/UTs and ensure that only good quality images are uploaded which are in public domain.
- iv. States/UTs should ensure that the **PMAY-U logo** is displayed in front of all housing units constructed under the Scheme. It may be noted that the beneficiary details with the logo on the stone plate should preferably be in local language. States/UTs should not display any such information which is in violation of Model Code of Conduct (MCC) as per instruction issued by the Election Commission of India/State Election Commissions from time to time.
- v. The Central Assistance released under PMAY-U Mission should be utilized within the time frame stipulated in the respective sanction orders. The States should transfer the interest accrued on the unspent balance to Bharat Kosh via PFMS every quarter as per the SOP circulated by Ministry of Finance.
- vi. States/UTs are advised to set a judicious limit in the PFMS in a manner that ULBs with faster progress are able to utilize funds commensurate with their performance, to enable faster completion of houses and ensure that their progress is not hampered due to lack of funds.
- vii. With regard to the vacant houses, if any, under JnNURM/RAY, the State Governments/UTs should look for realistic and pragmatic options for converting them into ARHCs.
- viii. A robust MIS System being critical for PMAY-U Mission, States/UTs need to constantly monitor the linking of beneficiaries to sanctioned projects in PMAY-U-MIS. All States/UTs should ensure that the Aadhaar details of beneficiaries with regards to their number and name is accurate while updating in MIS.

- ix. Under PFMS/DBT process, the funds would have to be transferred at every stage only through electronic mode for Beneficiary Led individual house Construction (BLC) under PMAY-U. The bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly. There should also be 100% Aadhaar linkages of beneficiaries in all AHP, BLC, ISSR and CLSS cases.
- x. All states to ensure updation of the legacy data pertaining to pre and post SNA mapping information in PFMS to remove any deficit of funds reflected in PFMS reports.
- xi. It has come to notice that data on progress of construction of houses reported in PMAY-U-MIS and those discussed in the CSMC meetings varies many a time. States/UTs must upload **online Monthly Progress Reports (MPRs)** of all sanctioned projects in PMAY-U-MIS latest by 10th of every month so that the data are reconciled before every CSMC meeting.
- xii. For geo-tagging of houses under PMAY-U, the quality of the photograph is essential for the correct assessment of the progress of BLC houses through defined 5 construction stages. The State may ensure the resolution and size, direction and angle, of the photographs captured should be clear/haze free. The pictures of all construction stages of the house should have a picture of the beneficiary along with the house. Further, 100% Geo-tagging of completed houses under AHP/ISSR component should be ensured.
- xiii. The State/UTs must ensure that after getting approval from CSMC for sanction/curtailment/cancellation of projects under PMAY (U) 100% project entry and beneficiary attachment in MIS. the States/UTs are further requested to complete the revision cycle of the revised/curtailed projects in MIS as marked by the Ministry. The State may submit the physical/Financial MPR for each month in MIS and ensure that the physical progress of houses as reported in Physical MPR is reflected in the geo-tagging stages captured on the Bhuvan Server.
- xiv. States/UTs should use innovative, cost effective and high-quality construction technologies for constructing the housing units under PMAY-U and document the same. The tender documents should

preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.

- xv. State/UT Governments are advised to ensure that:
 - a. Adequate infrastructure is provided including individual water, sanitation and electricity connections.
 - b. There should be no duplication/change in the identified beneficiaries.
 - c. Demarcation of land and mutation is carried out before implementation of the projects.
 - d. The design and construction of houses are disaster resilient, and the specifications conform to IS/ NBC norms.
- xvi. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY-U fraudulently. The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/ registration fee for applying for houses in PMAY-U. Thus, individual/agency /organization cannot collect any money/application fee from the beneficiary for enrolment under PMAY-U. All State/UT Governments may also issue disclaimer to this effect in their relevant websites/advertisements etc. to stop this kind of fraudulent activity.
- xvii. State/UT Governments may prepare **short films, printed literature/documents** on projects undertaken under PMAY-U to showcase how lives of beneficiaries have transformed. It should be widely circulated both in print and electronic media and in various social media platforms for generating awareness. The State/UT Governments should also share with the Ministry high resolution photographs and video testimonials of beneficiaries whose houses have been completed.
- xviii. A PMAY-U Mobile App has already been provided by the Ministry to enable beneficiaries to upload their photos with their house and a video clip where beneficiaries share experience of owning a house under PMAY-U as testimonials. The App can be downloaded from Google Play Store. The State/UTs may inform their beneficiaries to upload the same using this Mobile App.

The meeting ended with a vote of thanks to the Chair.
