Message from JS&MD, HFA

“

As I begin to write this message, I would first like to inform our readers that we have had a great start to PMAY-Urban 2.0 with close to 30 States/UTs having signed the MoA for implementation of the Scheme. PMAY-U 2.0 has been launched in line with Hon'ble Prime Minister's vision of Housing for All. It is a transformative initiative aimed at ensuring affordable housing to urban poor and middle-class people. Through this scheme, we aim to empower families by supporting them in realising their dream of owning a home.

PMAY-U 2.0 underscores the Government's efforts to address the housing challenges faced in the urban areas and contribute to the overall growth and development of cities. I take this occasion to encourage all eligible citizens to avail benefits of this scheme and help us build a more inclusive future, and more importantly, have a pucca house which they can call their own.

Through the scheme, along with building pucca houses, we are laying a strong foundation for a brighter and better future of crores of families. PMAY-U 2.0 will make homeownership a reality for 1 crore families for whom a pucca house was only a distant dream. These families have struggled to get access to safe, secure and affordable housing. As we embark on this journey, I also urge all stakeholders, financial institutions to come together and help us in providing a pucca roof over the heads of 1 crore families of urban India. ”

Ghar Hua Apna, Pura Hua Sapna

The stability of having your own house has brought a renewed sense of hope and security in me and my son's lives. The improved living conditions allowed me to manage my finances better and invest in my son's future. Our pucca house has alleviated huge amount of stress associated with our previous living conditions. I can focus more on my job as a nurse and provide a better and safe environment for my son's growth. As a single mother, I can offer my son a more secured and fulfilling future.

My mother struggled hard all her life in a rented, cramped house. It was my father's dream to construct a house for the family, where my mother and all of us could live in dignity. My father's demise, however, shattered us and the responsibility came on me. A promo on PMAY-U prompted to me to apply for the scheme in some time, I saw my father's dream getting fulfilled in front of my eyes. We recently hosted our Grih Pravesh function and all my relatives and neighbours joined the celebrations. We feel proud to be part of the scheme and are thankful to the Hon'ble Prime Minister for PMAY-U.

Ghar Hua Apna, Pura Hua Sapna

I have been suffering from polio since childhood. I can barely walk without a support. Our previous house where we used to live on rent did not have a lift due to which each day was a struggle for me. Moreover, owing to increasing rent, inconvenient living conditions, I had to bear the pain of changing house frequently. PMAY-U came as a ray of hope in my life. After the due approvals, we were allotted a flat in an upmarket area Surat city and due to my disability, I got a flat on the first floor, which has made my life much easier. I can now use the lift and with wide passageways, reach the first floor with ease. All basic amenities are available within the vicinity. I am now pursuing my dream of teaching primary children of nearby homes to earn a living. My daughter is also studying in a good school and has a safe environment to live in, with all facilities.

We have lived in a kutchha house for years. We have no children who can take care of us. The old house had become dilapidated and there were lack of facilities. Our living conditions were deplorable, but PMAY-U gave us a new life. With the subsidy received under the Scheme, we have built our own pucca house with amenities. This home is our safe space and will take care of us.

आवासन और शहरी कार्य मंत्रालय

“ हम वर्षों से कच्चे मकान में जीवन यापन कर रहे थे। पुराना मकान बहुत जर्जर हो चुका था। घर में कोई सुविधा नहीं होने से हम बहुत परेशान थे, हमारी अपनी कोई औलाद नहीं है जो हम दोनों का ख्याल रख सके। प्रधानमंत्री आवास योजना - शहरी ने हमें नई जिन्दगी दी। योजना के अंतर्गत मिली सहायता राशि से हमने अपना सर्व सुविधा युक्त पक्का मकान बनाया। अब हम एक सुरक्षित पक्के घर में खुशहाल जीवन जी रहे हैं।”
