On 22nd August 2025, Hon'ble Prime Minister, Shri Narendra Modi participated in the grih pravesh ceremony of 4,260 houses constructed under PMAY-U in various districts of Bihar from Gaya. Hon'ble Governor of Bihar, Shri Arif Mohammad Khan, Hon'ble Chief Minister of Bihar, Shri Nitish Kumar, several Union and State Ministers, MPs and MLAs also graced the programme.

With this milestone, the housing dreams of thousands of families were realised and they will now step into a life of dignity, safety and security in their new pucca homes.

Speaking at the event, Hon'ble Prime Minister said, "We haven't just given houses - that is, four walls - we have given the poor their dignity along with them. These homes come with facilities like electricity, water, toilets, and gas connections. In other words, poor families now have the guarantee of living with convenience, safety, and respect. Today, continuing this effort, more than 16,000 families from the Magadh region of Bihar have received their permanent homes. This means that the celebrations of Diwali and Chhath Puja will be even brighter for these families this year. I heartily congratulate all the beneficiary families who have received their homes. And for those who have not yet been able to benefit from the PM Awas Yojana, I want to assure you—the campaign for housing will continue until every poor person has a permanent home of their own."

In a seperate event on 15th September 2025, from Purnea, Bihar, Hon'ble Prime Minister participated in the Grih Pravesh ceremony of 5,920 pucca houses constructed under PMAY-U across various districts of the State.

Addressing the meeting, Secretary, MoHUA urged States/UTs to emphasise on aligning housing projects with infrastructure corridor to promote integrated urban development. “States/UTs should strategically plan and locate housing projects in areas that have enhanced connectivity, economic activity and better access to services,” Secretary, MoHUA said.

JS&MD, HFA apprised the CSMC about the status of implementation of PMAY-U 2.0 and said that the larger States, particularly Metro cities, should bring proposals for CSMC with focus on Affordable Housing in Partnership (AHP) vertical of the scheme under which group housing projects are constructed.

Message from JS&MD, HFA

The past few months have been an eventful one for the HFA Division. From the beneficiaries being invited to the Rashtrapati Bhavan on Independence Day 2025, to the participation in grih pravesh of PMAY-U houses by the Hon’ble Prime Minister, and to the launch of Angikaar 2025 by Hon’ble Minister, MoHUA – are not just occasions, but also a reflection of the Mission’s reach and growing impact.

With Angikaar, a transformative campaign under PMAY-U 2.0, we are focusing on last-mile outreach by spreading awareness about PMAY-U 2.0, accelerating the completion of sanctioned houses, fast-tracking beneficiary verification, ensuring convergence with other welfare schemes of the Government and easy access to home loans. The campaign aims to truly transform the lives of vulnerable sections of society. It reflects our collective commitment to ensure empowerment and also inclusivity, dignity for every urban family.

Angikaar 2025 campaign is reaching the doorsteps of people, and this is the result of the active participation of States/UTs, ULBs, beneficiaries & other stakeholders who have turned it into a people’s movement. PM Awas Mela – Shehri, awareness camps, loan melas, and door-to-door campaigns are being organised to ensure every eligible family’s dream of a pucca house is fulfilled.

Activities in States

Rajasthan

Utsav Mahotsav

Hon'ble Deputy Chief Minister of Rajasthan, Smt Diya Kumari participated in Utsav Mahotsav hosted by Jaipur Nagar Nigam (Greater) for promotion of PMAY-U 2.0. Hon'ble Deputy Chief Minister said that all ULBs of the State should have complete knowledge about the scheme and should help beneficiaries avail benefits as per their eligibility criteria.

Geo-tagging drive

A geo-tagging drive across 257 ULBs of Rajasthan was conducted with the objective of tracking the progress of individual houses to ensure transparency, accountability and efficient monitoring of PMAY-U projects/houses.

Labharthi Samwad

Labharthi Samwad is regularly held in different places to interact with beneficiaries to know about their concerns regarding the delay in construction of houses. During such interactions, it was observed that delays in construction were primarily due to shortage of funds at various stages. Beneficiaries expressed the need for additional financial support to complete their houses within the stipulated time. To address the concerns, Commissioners, Executive Officers, and concerned staff extended support by facilitating linkages with banks. Beneficiaries were guided to avail short-term loans to ensure timely completion of their ongoing houses. This convergence of efforts is helping families move closer to their dream of owning a pucca house. Labharthi Samwad helps in:

Better implementation of scheme:

This IEC event identifies issues and challenges faced by beneficiaries, enabling authorities to make necessary adjustments and improvements for completion of houses sanctioned.

Enhanced trust and confidence:

The ULB could build trust and confidence with beneficiaries for effective implementation of scheme. Also, through such events their needs and concerns are understood and addressed, leading to higher satisfaction with the scheme.

Increased transparency and accountability:

One-to-one and direct interaction with beneficiaries promote transparency and accountability in the implementation of PMAY-U.

Feedback-driven improvements:

It helps in scheme improvement and policy making decisions ensuring that PMAY-U is more effective in achieving its objectives.

Awareness about PMAY-U 2.0:

The samwad has resulted in increased number of applications under PMAY-U 2.0 as ULBs are spreading awareness about the scheme through mic announcements, hoardings, posters, banners etc.

Loan Mela

The loan mela being held across Rajasthan aims to target PMAY-U beneficiaries to help them complete the construction of their houses by providing them with financial linkages. To facilitate this, the ULBs contact local bankers for providing small amount of loan to beneficiaries of PMAY-U so that they may complete their complete houses within stipulated time period.

Chhattisgarh

On 14th August 2025, Hon'ble Deputy Chief Minister of Chhattisgarh and Minister of Urban Administration & Development Department, Shri Arun Sao, handed over building permission letters to beneficiaries of Pradhan Mantri Awas Yojana – Urban 2.0 during the inauguration of Atal Parisar under the jurisdiction of Nagar Panchayat Kota.

Beneficiaries of the Affordable Housing in Partnership (AHP) component of PMAY-U were allotted houses in Grih Nirman Samiti under Jagdalpur Municipal Corporation. Symbolic house keys were also provided to some beneficiaries to mark the occasion.

Assam

In Assam, awareness drives, meetings and IEC activities were organized across the State to inform eligible beneficiaries about PMAY-U 2.0, ensuring that they are aware of the scheme's provisions, eligibility criteria and application process.

In one such drive, SHG members and potential beneficiaries of PMAY-U 2.0 were guided about the application procedure with essential documents required. The objective of the drive is to help the beneficiaries choose the appropriate scheme component based on their eligibility. The different sessions highlight key details of the scheme and physical documents validation of PMAY-U 2.0 beneficiaries is done.

Apart from meetings, IEC activities like announcements on mic, distributing leaflets are being done to spread awareness about PMAY-U 2.0. These awareness drives are expected to encourage wider participation, ensuring that more eligible beneficiaries are able to benefit from the scheme's provisions.

Meanwhile, focus is also on smooth implementation of the scheme, with emphasis on ensuring timely construction of the already sanctioned PMAY-U houses. The meetings serve as a vital platform to address queries and reinforce the commitment toward achieving "Housing for All." Field visits are being conducted, along with geo-taggers to oversee the progress of PMAY-U houses for those who have received the 1st and 2nd instalment for timely completion of these houses. The teams also checked the progress of other PMAY-U houses and beneficiaries were motivated to complete the house.

Madhya Pradesh

The State Government of Madhya Pradesh conducted a special campaign - "PM Awas Month" from 1st August to 31st August 2025. During this period, various activities were carried out for the effective implementation of PMAY-U and PMAY-U 2.0.

Under this campaign, the approval of new projects under PMAY-U 2.0, transfer of possession of AHP houses, setting targets for the completion of remaining PMAY-U houses, appointment of nodal officers at the district level, resolution of land ownership issues, house-warming ceremonies for completed houses, organising special camps under the Interest Subsidy Scheme (ISS) component, grievance redressal through the CM Helpline, and extensive publicity of the scheme were ensured.

Maharashtra

Promotion of PMAY-U 2.0 is being undertaken at various locations across the State of Maharashtra with the objective of enhancing public awareness and encouraging beneficiary participation. The initiatives include online registration camps, door-to-door campaigns, distribution of pamphlets, display of banners, public announcements through vehicles and special workshops to facilitate approved beneficiaries in obtaining the necessary construction permissions.
