Jija Niteen Lothe, 27, says that having a home of our own was her long-cherished dream. A resident of Vaidya Nagar, Hingoli, **Maharashtra**, Jija Niteen and her husband lived in a rented house for many years. Her husband is a farmer and earns very less. She tried hard to construct her own house, but financial instability came in between her dreams.

It was then Jija Niteen was informed about PMAY(U) Scheme. "When I went to the PMAY(U) office at Nagarpalika Hingoli, I received all the information. Then I took all the documents and submitted the application for approval. After that I got the acknowledgment of application and a few months later, my application was approved," she says, adding that the whole process of getting a house very good.

She received the money in installments and soon, her dream of having an own home was fulfilled. Not only the family has a better quality of life now but saves money which they paid as rent earlier.
