MAHARASHTRA

Shobha Laxman Munde, 41, is a resident of Jyoti Nagar, Hingoli district, **Maharashtra**. She had been living in a Kutchha house with her husband and two daughters for the last 16 years. Her husband is a daily wage earner. With unpredictable work and limited income, it was difficult for them to make ends meet, forget about affording their own home.

“Our income is very low, so we couldn't afford our own house. But, I always wished to have my own house. Then I got information about the PMAY(U) Scheme. After receiving all the information, I submitted the application for approval,” says Shobha.

She gradually received the instalments to build the home and soon, Shobha's dream to move into her own home got fulfilled.

Earlier, the safety and security of her two daughters was a major concern for the couple. Now, with the construction of the house, they feel very safe.

“Even for studies, my daughters faced a lot of problems. Now they have separate space for studies without any disturbance. I have nothing more to ask for,” says Shobha.
