

KAILSABAI Nayak

RAJASTHAN

Kailsah Bai Nayak and Gopal Nayak constantly made efforts to fulfil the wishes of their family members despite several odds. Gopal Nayak is a construction worker. He hails from Bhilwara, **Rajasthan**. Ironically, he built houses for others, but his financial condition didn't allow him to construct a home for himself.

Kailsah and her husband lived in a dilapidated house which lacked proper sanitation facility. They suffered due to poor weather conditions. Due to work, Gopal Nayak had to travel to different places, leaving the responsibility of the home on his wife.

As days passed by they worked hard and saved some money to construct a house. The PMAY(U) Scheme added to their joy.

Today, their dream of having a pucca house has been fulfilled. It has all basic modern-day facilities.
